about at A&M would be for the better, for we all know that A&M could get no worse.

So then in closing, I would merely say this to the "gentlemen" from the West Point on the Brazos; if these are the examples which you set for us, we would rather go on being the "kids" that we are. The kids—the University that has, in a third of the time A&M has gotten 6,000 students, grown to the second largest in the South with 14,000 students. (And "gentlemen" we would point out that we did this on our own, not on the state money which the citizens of Texas have paid in taxes to support A&M.)

(Ed. Note: Does Uncle Hugh Roy know you said this; we'd always thought he had just a "little something" to do with your campus.)

As a school supported by the state, A&M is a disgrace. As a school in the Southwest Conference, A&M should be kicked out instead of merely being put on probation.

So instead of criticizing a few University of Houston students who might have, MIGHT HAVE been in the wrong, you should, I feel, examine your own record of outrages against the state, other universities and your own good name; or perhaps I should say what is left of your good name and start trying to patch up the rather trampled and degraded reputation which you call the Spirit of Aggieland.

Student, University of Houston

Brazos Mother's Club To Hold Tea

A tea honoring all freshman mothers will be the theme of the first meeting of the Brazos A&M Mothers Club, said Dorothy C. White, president.

The affair will take place at 3 p. m. Thursday in the mother's lounge of the YMCA.

This is the first of three regular meetings during the school year. The other two are scheduled for Jan. 26 and April 26.
