

The Battalion

Number 41: Volume 55

COLLEGE STATION, TEXAS, WEDNESDAY, NOVEMBER 2, 1955

Price Five Cents

SIXTEEN TONS—Three city employees make like the currently popular song, "Sixteen Tons" as they pick up trash during the College Station Clean-Up Drive which ends Friday. From left to right they are David Washington, Walter McGruder, and Philip Toliver.

Academic Council Approves New Appeals Committee

The Academic Council approved several items at its regular meeting last week; these included a new Appeals Committee to which a student who has been suspended or dismissed for disciplinary reasons can appeal for a review of his case.

The Dean of Student Personnel Services will serve as chairman of this body. Five other members of the Committee, chosen from the general faculty and staff, will be appointed by the president on the

recommendation of the Executive Committee for one year terms. This paragraph, in approximate form, replaces paragraph 46 of College Regulations.

Another action was the discontinuation of the following regulation concerning transfer of credits: "A student who fails a course in any subject at this college and later takes such course or subsequent courses in the same subject at another college may be required to pass validating examinations in such course or courses before these will be accepted for transfer credit toward degree requirements."

Effective Sept. 1, 1956 will be the following program for student health services: A Student Health Services Board consisting of five members of the faculty, three students, and the superintendent of

the Hospital ex-officio will be set up. The dean of Student Personnel Services will be ex officio chairman of the Board and the other four faculty members are to be appointed annually by the president on the recommendation of the Executive Committee. The three student members are to include both military and civilian students, and are to be elected by the Student Senate in the spring preceding their terms of office.

The Board is to concern itself with all matters related to the student health services on the campus, to make recommendations for the improvement of these services as deemed desirable, and are to have power to act for the Council within the framework of established power.

Physics Club Plans Navy Film Movie

Films on the flight of the Sea Dart, the Navy's version of the P-102, and the geographical beauties of San Diego, Cal., will be shown and discussed at a special meeting of the A&M Physics Society at 7 p.m. tomorrow in room 320, Physics Building.

R. S. Campbell, on the campus to interview January graduates for Convair of San Diego, will conduct the showing and discussing of the films.

A film on the Navy's Pogo Stick will be shown if it can be obtained.

The meeting will be open to all interested, but the Physics Society especially invites June graduates in mathematics, electrical, mechanical, aeronautical and civil engineering interested in working for Convair in San Diego.

Woodard Elected

Mitchell (Bubba) Woodard, senior business major, was elected president of the Anderson County A&M club last night at an organizational meeting. Other officers elected were Bob Moore, vice-president; Dave McReynolds, secretary-treasurer; Ben Gary Woolverton, reporter; Robert Turner, sergeant at arms; John Sandhop and Howell Crittenden, social co-chairmen.

LaMotte To Head CS Kiwanis Club

Charles LaMotte, biology professor, was elected president of the College Station Kiwanis Club for the coming year in elections held yesterday.

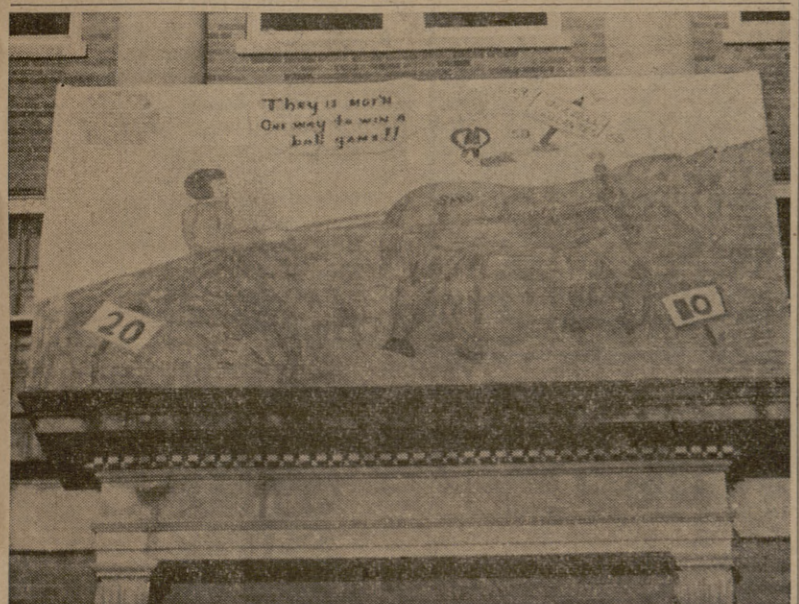

Other officers include W. E. Briles, first vice-president; and Bob Longshore, Bardin Nelson, Taylor Riedel, and Charles Taylor for the board of directors posts open this year.

In election of the second vice-president, J. B. Longley and Bob Shrode tied. Run-off election will be held at the next regular meeting, Tuesday, Nov. 8.

For the regular program, K. A. Manning spoke on the activities of the College Station Recreation Council.

BULLETIN

James Burnis Koyms, freshman geology major from Pasadena, died at the swimming pool this morning. He was pulled from the pool still breathing about 11:30. Efforts to revive him failed. Further details were not immediately available.

BIZZELL VIGILANTES—Stepping into the act this that A&M is going to tame the Mustang from Southern Methodist University this Saturday at Kyle Field. The wind played havoc with the sign for a while, but it's still up.

Corps Group Protests Charge

Hearing Held On Charges For Space in Aggeland

Conflicting opinions, held sway at yesterday's meeting of the Student Publications Board as a three-man delegation from the Corps met with the Board members to protest the new space rate charges for the Aggeland.

The furor revolved around a move by the Publications Board during the summer which provided for space charges for all campus organizations which have dues, charge admissions or have an appropriate other source of income. The new ruling especially affects ROTC units, civilian dorms and intercollegiate sports. The action was taken following the completion of a 100-school survey on the procedure followed by other schools in charging for space in yearbooks.

12th Man Bowl Decision Split On Who Plays

The 12th Man Bowl Committee handed a split decision to the Student Life Committee yesterday on the issue of who will play in this year's 12th Man Bowl Game.

The committee met in the office of C. G. (Spike) White, of the Student Activities Department, to decide the handling of this year's battle and immediately ran into a snag. Two motions were passed with little debate but when the problem of deciding whether or not the Army would play the Air Force, as in previous years, or whether the Corps would play the Civilians the meeting was deadlocked.

After a heated debate between civilian and the Corps students, a vote of 4-4 was taken. The Committee voted to place the recommendation before the SLC as it stood. The date and time and length of the quarters was decided and the game will be played on Kyle Field, Dec. 15 at 3 p.m. Quarters will be eight minutes. The meeting was presided over by Glenn Buell, chairman, and the following committeemen were present: Lt. Col. Taylor Wilkins, military affairs; Charley Richey, coaches; Doug Von Gonten, operations; Cy Johnston, military tickets; Hugh Lanktree, civilian tickets; Don Groves, concessions; Barney Welch, teams; Barlow (Bones) Irwin, facilities; and Ralph Cole, publicity.

"T" Ruled Out

The "T" will not be formed again this year, according to Paul Holladay, head yell leader. Due to the practice reviews scheduled for this week, the Corps would not have time to practice for the forming of the "T", he said. This is the third straight year that the "T" has not been formed by the student body.

Job Calls

Thursday
SQUARE D COMPANY will interview ME, EE, and IE majors for field engineering, application engineering, production engineering and design engineering.
CORE LABORATORIES, INC. of Dallas will interview Geological,

Petroleum, Chemical, Mechanical and Geological Engineering majors for positions in Core analysis department, reservoir fluid division, research and development department and sales departments.

LOCKHEED AIRCRAFT CORP. will interview ME, CE, EE, mathematics, physics and aeronautical engineering majors for various openings.

MONSANTO CHEMICAL COMPANY is interested in majors in Chemistry, Chemical Engineering, and mechanical engineering.

Weather Today

Cooler

A cold front is expected this afternoon with a sharp temperature drop. Continued cloudy with strong dust wind. Temperature at 10:30 a.m. was 79 degrees. Yesterday's high of 88 degrees dropped to 71 degrees last night.

News of the World

By The ASSOCIATED PRESS

ATHENS, Greece—Police fired on anti-British demonstrators during a pitched battle in the city of Patras yesterday. At least 80 civilians and 40 policemen were reported injured. The U. S. Information Center was attacked and damaged slightly. The riots, described as Greece's most serious outbreak so far over the Cyprus issue, raged for five hours before they were quelled by reinforced police and armored crews. Fifty persons were reported arrested.

CAIRO — An Egyptian spokesman accused Israel yesterday of provocative actions along the tense Israeli-Arab border. He denied Egypt ever was an aggressor, but said it was always ready to defend its sovereignty when attacked.

GENEVA—Russia has sought to assure uneasy Israel she will not be hurt by the flow of Red arms to Egypt, diplomatic informants reported last night. Foreign Minister V. M. Molotov, at the same time, was said to have refused to block the sale of Czechoslovak war goods to the Jewish state's longtime enemy. He served notice of this in talks with U. S. Secretary of State Dulles, British Foreign Secretary Harold MacMillan and Premier Moshe Sharett of Israel.

JERUSALEM — An Israeli army spokesman said three Arab members of an Egyptian-trained suicide squad were killed yesterday in an exchange of fire with an Israeli army unit 19 miles east of the southern section of the Gaza strip.

Youth Committee Started This Year

(Ed. Note: This is the fifth in a series of articles on the agencies which will benefit from your contribution to the A&M College-College Station Community Chest-Red Cross drive which began Monday.)

Not quite a year ago, Vic Ehlers was hired by Brazos County for a unique experiment. His title was to be Brazos County Youth Counselor and Probation Officer. The experiment was to prove if a program combining the two services was practical.

Today Ehlers and his department can point with pride to the past six months' work. On Feb. 1, 1955, the Brazos County Youth Development Committee became a formal organization.

In the last six months, 47 children have received direct or indirect help, 14 direct counseling cases, nine consultations and 24 probation cases. Most of the coun-

seling cases were directed to the Committee by schools, but several came of their own accord.

Most of the probation cases were referred by law enforcement officers since most of them were burglars.

The Committee retains the services of a practicing psychiatrist and a clinical psychologist one day out of each month for needed consultations.

The Committee was unable to get their request for funds to the city council in time to have it included in the College Station budget for this year, so they asked the Chest for the entire \$600 needed from College Station.

The Chest allotted them \$300 and recommended that they apply to the City Council for the remaining \$300 to be included in the next budget.

(This series will continue Thursday with a summary of the activities of the Boy Scouts.)

Fall Military Day

ATC Head Will Be Here

Lt. Gen. Charles T. Myers, born in Mannington, W. Va., entered the Virginia Military Institute in 1918 and received an appointment the following year to West Point, where he became a member of the varsity football team. He was graduated in 1923 and commissioned a second lieutenant in the regular army.

He entered flying school at Brooks Field in the same year, and was awarded his wings at Kelly Field a year later. His first assignment as a pilot was at Brooks where he served as an instructor until 1929, when he was transferred to the Philippine Islands. There, he was squadron officer of a bombardment outfit.

Following various duty assignments, he entered the Air Corps Tactical school at Maxwell Field, Ala., in 1937. Upon completion of the course, Gen. Myers was assigned to Miller Field in New York as an instructor with the New York State National Guard.

Shortly before Pearl Harbor, Gen. Myers was transferred to Randolph Field and appointed assistant chief of staff of the Flying Division. Later he was chief of plans and training section of the Central Flying Training Command, and in December of 1943, he was placed in charge of the 77th Flying Training Wing at Foster Field, Texas.

A year later, he was assigned to the 12th Air Force in Italy, where he was chief of staff and commanding general of the theater air force.

In 1945, he became chief of staff of the 334th Flying Training Wing at Randolph Field and was made commanding general in '46. Later that year, he was redesignated the Flying Division of Air Training Command and in '47 took additional duties as chief of staff of the Flying Division.

In July, 1954, following various assignments all over the world,

he was appointed commander, Air Training Command, with headquarters at Scott Air Force Base, Ill.

He has been awarded the Legion of Merit with one Oak Leaf Cluster, Bronze Star Medal, Air Medal and French Legion of Honor. He is also rated a Command Pilot, Combat Observer and Aircraft Observer.

Lt. Gen. Charles T. Myers To Be Here Saturday
