**A & M CHRISTIAN CHURCH**—The first unit of a \$104,000 church plant nears completion in College Station, as the Christian Church awaits only the stained glass windows. Built on the former site, the church building was destroyed by fire last March.

The cost was approximately \$47,000, according to the Rev. Mr. Clarence Ketch, pastor.

The sanctuary, which has a seating capacity of 250, is 80 feet long and is connected by a 25-foot covered slab to a 31-foot building for administrative offices. The slab will be used for recreational purposes. Later an educational wing will be added to this unit along with a dining and recreational hall.

The A & M Christian Church is comprised entirely of students and faculty of A&M. Members hope to be in the new offices by Dec. 9.

Dr. J. M. Ward and Dr. R. L. Hunt of the Agricultural Economics and Sociology Department, attended a meeting in Memphis, Tenn., recently to discuss regional research in cotton marketing.

**"I'LL BE GLAD TO"**

When they want an angel food cake for the church bazaar, Mrs. Turner is apt to be asked to bake it. She almost always responds to such requests with a simple, "I'll be glad to."

If you ask people about Mrs. Turner, they will tell you that she is one of the happiest women in town. Yet not so long ago she was feeling pretty sorry for herself. Life seemed such a humdrum affair. As an accomplished musician, she had had dreams of the concert stage, but marriage and children had changed all that. Somehow it didn't seem fair!

Then one Sunday, a friend persuaded her to go to church. The sermon happened to be about the ingredients that make a full and happy life. The things the minister said struck home, and the next Sunday she found herself back in church again. Then one Sunday Mr. Turner went along, and next, the youngsters.

Now Mrs. Turner is still "just a housewife," but she is dissatisfied with her role? Look at her face, and see for yourself! It took the Church to show her that she already possessed all the tools needed for fulfillment and happiness, if she would but use them. Now, she does.

**THE CHURCH FOR ALL ... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
