Nine A&M students attended the Fall Southern Regional Conference of the Presbyterian Student Association of Texas Saturday and Sunday.

Students attending the conference, which was held on the Baylor University campus in Waco, were Murray Milner, chairman for the Southern Region, Frank Clark, Stewart Coffman, Ewen Hail, John Richard Billingsley, W. J. Godfrey, Jr., Kilho Park, Al Culberston, and Nathaniel Foote.

The theme of the conference this year was "The Christian Student Confronts the World Revolution," presented by the main speaker for the occasion, the Rev. Mr. Thom Hunter of the University of Texas. The Rev. Mr. Charles Workman, A&M Minister to Students, was one of the discussion leaders.

Also, while observing the spacing in the parking lot it was the same thing over again, only worse. I'm sure you and most all of us have seen this and are aware of it all.

I don't know about the other parking lots, but Hart Hall's lot could be marked by paint for uniform spacing between cars and save some of that money going to the K.K.'s (Campus Security) in tickets which amounts to an average of \$30 a day now, I understand. Paint isn't that high, yet!

George A. Owens, '55

(Ed. Note: The marking with paint might not be a bad idea. Too much space is wasted between cars, and more could be gotten in. Another thing about that particular parking lot that could be improved is the drivers of certain cars who insist on "digging out" everytime they leave. The lot is small, but it is in good shape at present.)
