NOT BY ACCIDENT

A baby doesn't "just happen." He is created through a slow and intricate process designed by God.

Neither does a delinquent "just happen." He, too, is created—gradually—by little wrongs and big, all human-caused.

Insecurity, improper associates or environment and lack of love often push a child into developing criminal tendencies.

Neglect, lack of guidance, lack of education and religious training will cause him to weaken and become sick morally and spiritually.

Responsible mothers and fathers will endeavor to protect their children from these evils. They will love a child. They will supervise his activities, and see that he has adequate religious education.

They will see that he goes regularly to Sunday School and Church, and they'll go along with him.

As a responsible parent, be sure that you create a Christian—not a criminal.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
