# CHS-Kiwanis Tournament To Open Jan. 6

Eight teams will battle in the tenth annual Consolidated High School-College Station Kiwanis Club basketball tournament which will be rolled off at Tiger gymnasium Jan. 6-7. Norman Anderson, chairman of the Boys and Girls Committee which is sponsoring the tournament, has announced the following schools as participants:

A&M Consolidated, Somerville, Navasota, Cypress-Fairbanks, Bellville, Allen Academy High School, Hempstead and Kincaid (Houston).

Tickets for the entire tournament are \$1 for adults and 50 cents for students, including Aggies. Individual game tickets are 50 cents for adults and 25 cents for students. Profits from the tournament will be put into a fund for use in future construction of a sidewalk west from Consolidated School. Last year, the money was used to help construct an asphalt walk from the school east to Highway 6.

Last year sharp-shooting Somerville ended A&M Consolidated's two-year reign as tourney champs, beating Tomball 69-47 for the title. The Tigers downed Fairfield 64-47 for the consolation championship. Fairfield's Joe Lane provided a 51-point scoring spree in his team's 75-51 victory over Navasota in the loser's semifinals.

Members of the Boys and Girls Committee, besides Chairman Anderson, are Jim Baty, C. A. Bonnen, Charles Byrd, Don Dale, Phillip Goode, Raleigh Jackson, John McNeely, John Page, Wayne Stark and Ralph Terry.

Maurice Olian, Consolidated sports correspondent for The Battalion, will provide coverage for the tournament games.

Dick Scott, former A&M center, won the most valuable player award on the 1955 All-Air Force football team. Connie Magouirk also made the Air Force team.

# First Regiment Gets New Crest

The First Regiment of the Cadet Corps has adopted a regimental crest. The proposed design of the crest has been accepted by Col. Joe E. Davis.

Authorization has been given for the cadets of this regiment to wear the crest, one on each epaulet, during corps and regimental reviews.

The adopted crest is shaped like a shield and has for its colors maroon, white and silver. A black diagonal line cuts the shield approximately in half. The upper half of the shield is maroon and the lower is white. Centered is a large silver-colored arabic numeral one. Below the shield in black letters on a silver background are the words: "First Regiment." All edging around the shield is in black.

The crest was chosen by a committee composed of Roy B. Bertrand Jr., chairman; William W. Fink; W. Leroy Campbell; Edward W. Reeder; George A. LaHood; and Wendell T. Hulse.

Sherry is the only wine whose taste is not marred by tobacco smoke.
