## Aggies Set New Scoring Mark By Smashing Baylor, 90-70

### Second Period Rally Produces 60 Points

By RONNIE GREATHOUSE  
Battalion Sports Editor

After trailing by six points at halftime the Aggies stormed back in the final period to post a new all-time A&M scoring record and overwhelm Baylor 90-70 last night in White Coliseum.

A crowd of 4,000 partisan fans thundered their approval as Coach Ken Loeffler's aggressive quintet dunked 60 points in the final period of play to beat the Bears for the first time since 1952.

THE PREVIOUS A&M high for one game was set last season when the Ags edged Pepperdine 86-84. The game marked Baylor's highest scoring output of the season, after averaging only 58 points in its first 11 games.

All five Aggie starters got into the double-figures column in scoring with a pair of sophomores, Ken Hutto and Fritzie Connally, leading the assault on the record book. Both sunk 20 points.

Hutto, a sensational set shot artist, connected on nine of his first 10 shots from the field and hit both his free throw tries. Connally, currently leading the team in scoring, meshed 14 in the second half and was second in rebounds during the night with 11.

GEORGE MEHAFFEY scored 14 points in the second half to bring his total for the night to 16 and tie Bill Brophy for second place among A&M scorers. MehaFFEY was equally effective under the basket getting 14 rebounds, high for the contest. Guard Roger Harvey bucketed 10 points for the Cadets.

The Aggies hit 35 of 70 field goal attempts for an amazing 50 per cent average. Baylor was also deadly from the field, sinking 27 of 56 tries for 48 per cent.

In losing the Bears still boasted the high point man for the game in Albert White who had 21 points. Center Louis Estes dropped in 20 points for the losers. Jerry Mallett, 6-5, an all-Southwest Conference selection last season, was held to only three points by the alert Cadet defenders.

A&M GOT THE opening tip-off and jumped to an early 8-2 lead that stood up for 10 minutes until White's set shot put the Bruins out in front 15-14. The Aggies wrestled the lead away at 4:17, but Baylor quickly got it back and left the court at halftime leading 36-30.

Sparked by Hutto, the Aggies tied it up 42-42 with 16:57 remaining in the game and went ahead on Connally's set shot seconds later. Using its fast-breaking offense to good advantage, A&M roared to leads of 13, 14 and 15 points.

## Cubs Down Fish In 65-63 Battle

By BARRY HART  
Assistant Sports Editor

Leading by five points with 1:24 left in the game, the Aggie Fish were unable to score as they watched the Baylor Cubs push through seven points to take a thrilling 65-63 win in the opener of the freshmen Southwest Conference basketball race last night in White Coliseum.

A&M held a 63-58 lead when John Moore, 6-9 center and the game's leading scorer with 19

points, dropped the first of his two free throws. The second was tipped in by Gene McCarley to bring the score to 63-61.

Moore tied the score with 40 seconds left to play when he tipped in McCarley's free shot attempt. McCarley meshed the winning point after being fouled by A&M's Erwin Turner with only 20 seconds remaining and Charlie Pack dropped the final point on a foul shot in the last second of the game.

The lead changed hands 13 times and the score was tied eight times as the Fish met defeat for the second time in their young season. Previously they had lost to Allen Academy, 75-72, and downed Houston, 73-68.

Victoria's Niel Swisher, leading scorer of the season for the Fish, paced A&M with 16 points, third behind Baylor's Moore and Charlie Pack for the night's honors, to push his total to 50. Swisher played a terrific game and led the Fish in rebounding with nine.

The fish jumped to a quick lead in the opening period with Stu Heller, Swisher and Jim McNichol hitting field goals, but the Cubs pulled up to 6-5 and the lead bounced around the remainder of the half with the first-year Aggies holding their biggest lead at the intermission, 34-29.

A&M appeared to be pulling away easily at the outset of the second half and held their largest game lead with 16:39 remaining to play at 41-33. But Pack, Moore, McCarley and Don O'Neal kept hitting, and Pack's long one-hander gave them a 46-45 lead at the 12 minute mark.

Harry Max tied it up on a free throw and for the next five minutes (See FISH-CUBS, Page 4)

## 'Lion in Streets' Offered at MSC

"A Lion in the Streets" will be presented by the Film Society Friday at 7:30 p.m. in the Memorial Student Center Ballroom.

The show parallels the life story of Huey Long, the "Kingfish" of Louisiana politics. It is a dramatization of the best-seller novel and recreates the rise and fall of a political demagogue in a typical Southern cotton growing state. Stars of the show are James Cagney, Barbara Hale, and Lon Chaney.

Admission is 25 cents per person or by season ticket.

The next two attractions will be "A Song in My Heart" January 13 and "On The Riviera" Jan. 15.

## Above

SHARP REBOUNDING is shown by A&M's George MehaFFEY (55), forward who scored 16 points in last night's record-breaking win over Baylor, 90-70. The Aggies took 47 rebounds to only 33 by the Bears. Vainly trying to get the ball is Baylor's Louis Estes (24), center who looped 20 points. Fritzie Connally, Aggie center, is behind the play.

## At Right

BILL BROPHY, Aggie forward, loops in another two-pointer against the Bears. Brophy scored 16 points last night in White Coliseum as the Farmers bombarded the Wacoans 90-70. Baylor's Donnis Raines looks on, as Aggie center Fritzie Connally, who scored 20 points, rushes up behind Raines.

## Student Recovering After Accident

Dick Crews, business administration senior from Grapevine, is in the college hospital recovering from injuries received in an automobile accident Monday night at Elgin.

The car was demolished after careening down an embankment. Crews received a slight brain concussion and a broken knee cap and was in the Elgin Hospital until noon Tuesday. He was brought to the college hospital and will probably be released today.

Crews was returning to A&M from Austin when the accident occurred.

The first floor is nearing completion and already located in their offices are the YMCA officers. Facing the lobby, North to South, the lounges have been designated as the Ex-Students Lounge, International Lounge (complete with TV), the lobby, Mothers Club Lounge and the Aggie Wives Lounge.

## Weather Today

CLEAR

The forecast for the College Station area is clear with winds from south-southwest. Yesterday's high of 69 degrees dropped to 41 degrees early this morning. Temperature at 10:30 a.m. was 63 degrees.

JUST A TYPICAL AGGIE WIFE—Mrs. Frances Shackelford models what would appear at a quick glance around to be the most popular fashion for the typical A&M student wife. Mrs. Shackelford, the wife of chemical engineering senior Gene Shackelford, is a stenographer in the Directorate Office of the Memorial Student Center. Her main worry right now, she said, is that she may not get to see her husband graduate in June.

WHERE'S THE BALL—A&M's Bill Brophy goes up after a rebound, getting the jump on the surrounding Baylor players. Rebounding played a big hand in last night's win. The Bears are Donnis Raines (5), Louis Estes (24) and Jerry Mallett (19).
