"Sheedy, you warm," chirped J. Paul's little chickadee, "your lack of confidence is driving me cuckoo. If you don't do something about that messy hair I'll never beak to you again!" So J. Paul hopped on down to his favorite toiletries counter and pecked up a bottle of Wildroot Cream-Oil. Now he has confidence in any situation because Wildroot keeps his hair handsome and healthy looking the way Nature intended... neat but not greasy. Contains heart of Lanolin, nature's finest hair and scalp conditioner. If you catch your roommate robin yours, tweet him to his own bottle or tube of Wildroot Cream-Oil.
