FRIDAY, JANUARY 13, 1956

1956 March of Dimes

Polio was dealt a staggering blow by the Salk vaccine last year, but this dreaded crippler is still with us. As everyone by now probably knows, one of our own students was struck down by paralytic and bulbar polio.

But the campaign to raise funds to fight the disease—the March of Dimes Drive, sponsored throughout the nation by the National Foundation of Infantile Paralysis with the cooperation of its local chapters—is starting. Everyone who wants to help, and is able to do so, can give his time and money.

The fight goes on, and it takes money to prepare for and to carry on a battle. The good results obtained with the Salk vaccine show that this fight against polio can be won. And it will be won with the help of the top medical men of our nation using the money contributed by the citizens of the nation.

Let's all get behind this nation-wide effort to stamp out polio. It can, and will, be done.

The Battalion

The Editorial Policy of The Battalion Represents the Views of the Student Editors

The Battalion, newspaper of the Agricultural and Mechanical College of Texas and the City of College Station, is published by students four times a week during the regular school year. During the summer terms The Battalion is published once a week, and during examination and vacation periods, once a week. Days of publication are Tuesday through Friday for the regular school year, Thursday during the summer terms, and Thursday during examination and vacation periods. The Battalion is not published on the Wednesday immediately preceding Easter or Thanksgiving. Subscription rates are \$3.50 per semester, \$6.00 per school year, \$6.50 per full year, or \$1.00 per month. Advertising rates furnished on request.

Entered as second-class matter at Post Office at College Station, Texas, under the Act of Congress of March 3, 1879.

Member of The Associated Press

Represented nationally by National Advertising Services, Inc., at New York City, Chicago, Los Angeles, and San Francisco.

The Associated Press is entitled exclusively to the use for republication of all news dispatches credited to it or not otherwise credited in the paper and local news of spontaneous origin published herein. Rights of republication of all other matter herein are also reserved.

Room Reservations Can Be Made Monday

Room reservations and spring semester fees can be paid beginning Monday morning to avoid the registration day rush, according to the Housing Office.

The procedure to be followed in reserving rooms and paying fees is as follows:

Veterans attending school under the World War II GI Bill should secure fee waiver slips from the Veterans Advisor's Office in room 102 of Goodwin Hall and if they wish to keep the rooms they now occupy present their fee waiver slips to the Housing Office in Goodwin Hall.

All other students should pay fees at the Fiscal Office in the Administration Building and register with the Housing Office.

All students must present their fee receipts when reserving rooms.

Students who wish to reserve the rooms they now occupy should register for these rooms between Monday at 8 a.m. and Thursday at 5 p.m. Beginning Friday at 8 a.m. all rooms go on a first come—first served basis.

If a student wishes to occupy a room other than the one he now has (including those moving from military dormitories to civilian dormitories and vice versa) he must present written permission (room change slip) from both the Housemaster and the Organizational Commander involved. A student moving from a military to a civilian dormitory, in addition to other signatures, must also have the signature of his Tactical Officer on the room change slip.

As only one day has been allotted

for the registration of old students it is imperative that every effort be made to pay fees and reserve rooms prior to registration to avoid confusion.

Day students, including those living in college apartments, can save considerable time by paying fees early. Anyone who will be a day student during the spring semester, including those now day students, must secure a day student permit from the Housing Office before paying fees.

Job Interviews

The following interviews are scheduled for next week:

Monday

MCDONNELL AIRCRAFT CORP. of St. Louis, Mo., will interview majors in business administration, economics, agricultural economics, agronomy and entomology for sales trainees for the position of Territory Representative. Training period of 3 to 9 months after which assignment will be made to a Divisional Sales Office.

VIRGINIA-CAROLINA CHEMICAL CORP. will interview majors in business administration, economics, agricultural economics, agronomy and entomology for sales trainees for the position of Territory Representative. Training period of 3 to 9 months after which assignment will be made to a Divisional Sales Office.

Nuclear Scientist To Speak Here

Dr. Granvil C. Kyker, chief of laboratory research, Oak Ridge Institute of Nuclear Studies, will speak on "Rare-earth Radioisotopes of Biochemical and Medical Interest," Tuesday night at 8 in the lecture room of the Biological Sciences Building.

Faculty, staff, graduate students and the public are invited to attend the lecture.
