BIRTH OF AN ANGEL

They call her an angel of mercy. And they mean it! Just ask the ones who have de-pended on her in a time of fear and pain.

How did she become an angel of mercy? Was she born to be a nurse ... or did she just happen to decide that would be a good profession?

She decided. But she didn't just happen to decide! It grew within her-this yearning to help others.

It began one day in church school. Was it the lesson of the Good Samaritan—or one of the others? The idea thrived on many an inspiring sermon. Then one day it became a conviction ... something to pray about ... to plan for.

Today she is a wonderful nurse. Tomorrow she'll be a loving wife . . . an understanding mother. You see, she's not unusual, this girl. She is simply a girl whose Church helped her find God's challenge in her life.
