situation, that segregation is the product of prejudice, injustice, bigotry and intolerance. With adequate dual school systems, both races can progress efficiently. There has not been a race throughout known history that has made progress equal to that of the Southern Negro over the past few decades. The South does not intend on the progress to be interrupted.

This is the basis for the South's continuance of the Dual System. There are several more reasons which I do not intend to go into because of the length. Because penicillin is good for one infection doesn't necessarily mean that it cures all infections. Because integration works in the North does not mean it will work in the South—there is a difference in problems. The difference is the population of the two races and the dangerous effects of people who seek to solve problems they don't understand.

Laugh at these ideas if you wish, but they, or something similar, are needed and could be helpful. Repeated exposition of the violence accomplishes nothing of true quality; it only serves to separate. It is the persons who are in the positions to bring to the people not one sided stories of violence, but what's behind the violence and how it can best be solved.

Ch. E. Wives Need Books, Magazines

"Books and magazines are still being collected for the colored schools of College Station and Bryan," according to Pat Neely, publicity chairman of Chemical Engineering Wives Club, sponsors of the drive.

Educational books and magazines such as Reader's Digest, Time, Newsweek are needed for all grades. There is particularly a need for children's books for the first three elementary grades, according to Mrs. Neely.

"The colored schools haven't had any money allotted to the library for three years so the need for books is very great," she went on to say.

Persons who wish to donate any books or magazines may phone VI 6-4866, or VI 6-6257 and club members will pick up the books.

Foods Group Has Italian Luncheon

An Italian menu provided the dinner for the Foods Group of the A&M Social Club Friday at the annex of the A&M Presbyterian Church.

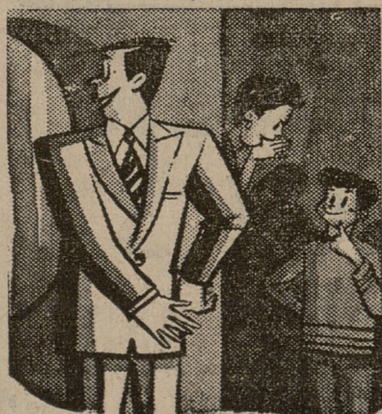

The menu, which included chicken and beef broth, robust roast beef, frothy vanilla spumoni sprinkled with slivered almonds, provided the best in fine Italian cuisine.

The committee was composed of Mrs. M. H. Halstead, general chairman, and Mesdames S. A. Wikes and J. P. Co Van, co-chairmen; G. G. Cowles, C. C. Hedges and Don Young.

Perk up an old Lenten favorite, Macaroni and Cheese, by giving it new glamour with a new and tastier cheese sauce and fresh chopped tomatoes. Use plenty of cheese in the sauce to make your casserole really good.

Chopped fresh tomatoes and green pepper add new flavor to Macaroni and Cheese casserole and a few slices of tomato and ripe olives put on top before it goes into the oven make it attractive enough for company dinner.

A fruit salad of cinnamon-pears and pineapple spears topped with a whipped fruit dressing, a green vegetable, if you like, and dessert will make this Lenten dinner one your family will enjoy.

The recipe for nutritious and economical Tomato-Cheese-Macaroni Casserole includes directions for Three-Minute Cheese Sauce.

TOMATO-CHEESE-MACARONI CASSEROLE

(MAKES 6 SERVINGS)
1 1/2 cups (large can) undiluted evaporated milk
1/2 teaspoon salt
2 cups (about 8 ounces) grated process-type American cheese
1 teaspoon dry mustard
1 tablespoon Worcestershire sauce
1/2 cup diced green pepper
2 tablespoons grated onion
1 1/2 cups diced fresh tomatoes
4 cups cooked macaroni

Simmer evaporated milk and salt in saucepan over low heat to just below the boiling point (2 minutes). Add cheese and stir until thickened and smooth (1 minute). Stir in mustard and Worcestershire sauce. Combine remaining ingredients in a large mixing bowl. Add cheese sauce. Combine thoroughly. Place in buttered 1 1/2 quart casserole. Bake in moderate oven (350° F.) 30 to 40 minutes.
