**ACCIDENTS WILL HAPPEN!**

A child's roller skates left on the stairs . . . a man deeply engrossed in his paper . . . one more step . . . fate closes in!

But it isn't fate. Just the careless, thoughtless preoccupation of humanity.

No religion can guarantee our safety from accidents like this one. But the Christian Church offers man safety from greater perils. It teaches him the dangers inherent in his own impulses . . . it shows him his responsibility for the lives and faith of others . . . it stimulates his soul-deep yearning to know God . . . it assures him that life has eternal meaning through Jesus Christ.

Accidents will happen—but spiritual tragedy need not! For the eternal safety of all men, the careless, the thoughtless, the preoccupied: Christ died.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
