Golf Only Victory

Ag Spring Sports Win One of Three

By J. BARRY HART

Three A&M athletic teams opened their Spring seasons Saturday and two came off second best.

Only Joe Fagan's Aggie golfers managed to salvage a portion of the opening day with a 7-2 victory over Lamar Tech. The University of Houston netters blanked A&M, 7-0, and Texas out-ran the Aggies and the Cougars winning both events.

Houston's Cougars swept five singles and two doubles matches as they shut out the Aggie tennis team. John Been bested Rex Reed, 6-3, 6-2, Ronnie Sawyer beat Bill Ashburn, 6-0, 6-4, Johnny Lawhon downed Don Dixon, 6-1, 6-1, and Bob Middleton defeated John Medlen, 6-3, 6-2.

In the doubles, Been and Sawyer stopped Reed and Ashburn, 6-0, 7-5, and Middleton and Lawhon outlasted Medlen and Dixon, 6-4, 1-6, 6-3.

Tiger Net Team Welcomes 22

With their first dual meet of the season on deck Friday afternoon at Rosenberg, 22 candidates are working for positions on A&M Consolidated's 1956 tennis team.

Jerry Mills, Don Avera, Maurice Olian, David Smythe, David Lloyd, Bill Jones, Bill Ledbetter, Charles Delaplaine, Junius Clark and Joe Randolph are trying for the boys' squad with Helen Holmes, Jo Ann Walker, Betty Mead, Margaret Manthei, Mary Varvel, Susan Dowell, Pam Sperry, Nancy Jo Rogers, Cathy Gould, Lucy Rogers, Ann Hite and Beanne Skrivaneck girls' team applicants.

Olian will captain this year's Consolidated netters of Coach Horace Schaffer.

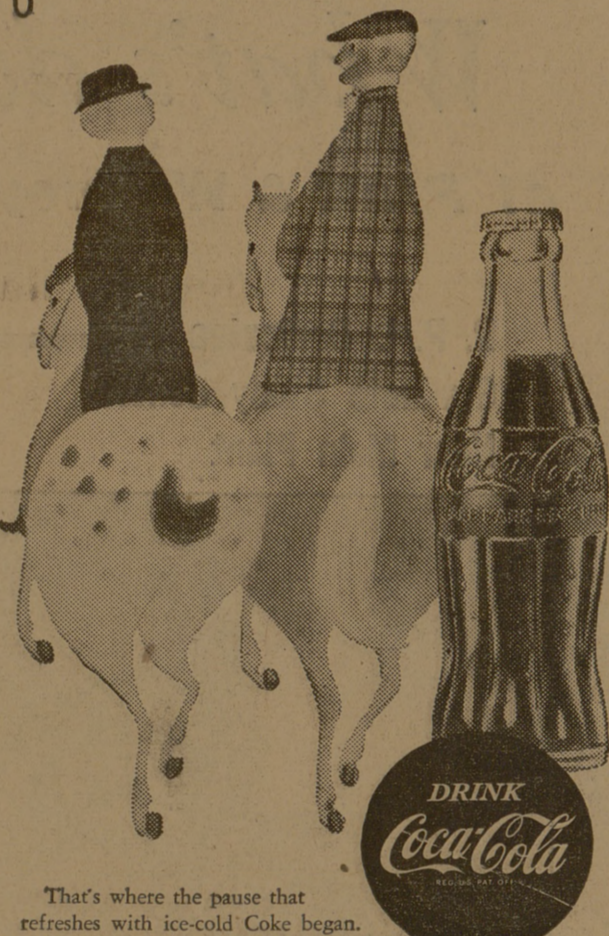

Consolidated tied for fifth place last Friday in the Alvin Invitational Tournament. Don Avera, Bill Ledbetter and Susan Dowell won their first round matches only to lose the second time out, and Jo Ann Walker gained the semi-finals before falling out of the championship race.

Loeffler, Ags Dine In Dallas Saturday

A&M's colorful Ken Loeffler and his Aggie basketball team will be fetted by the Dallas A&M Club at the 1956 Basketball Banquet at the Adolphus Hotel Saturday.

Loeffler, the former LaSalle mentor who won as many games in the past season as his predecessor had in two, with a 6-17 record, will be the main speaker.

"I originally came from Atlanta"

That's where the pause that refreshes with ice-cold Coke began. Now it's enjoyed fifty million times a day.

Must be something to it. And there is. Have an ice-cold Coca-Cola and see... right now.

North American Representatives Will Be Here March 12, 13

You'll learn first hand about the advantages and opportunities in choosing a career with a future at North American. Here engineers and scientists are now discovering new frontiers in four exciting new fields.

AUTONETICS

A Division of North American Aviation, Inc.
 In the field of ELECTRO-MECHANICAL ENGINEERING—producing new missile guidance systems, fire and flight control systems, computers and recorders.

ROCKETDYNE

A Division of North American Aviation, Inc.
 In the field of ROCKET PROPULSION—the largest producer of large liquid-propellant rocket engines, more powerful propellants and turbines.

ATOMICS INTERNATIONAL

A Division of North American Aviation, Inc.
 Peaceful application of ATOMIC ENERGY in any phase of reactor development, either for research or power production.

MISSILE DEVELOPMENT ENGINEERING

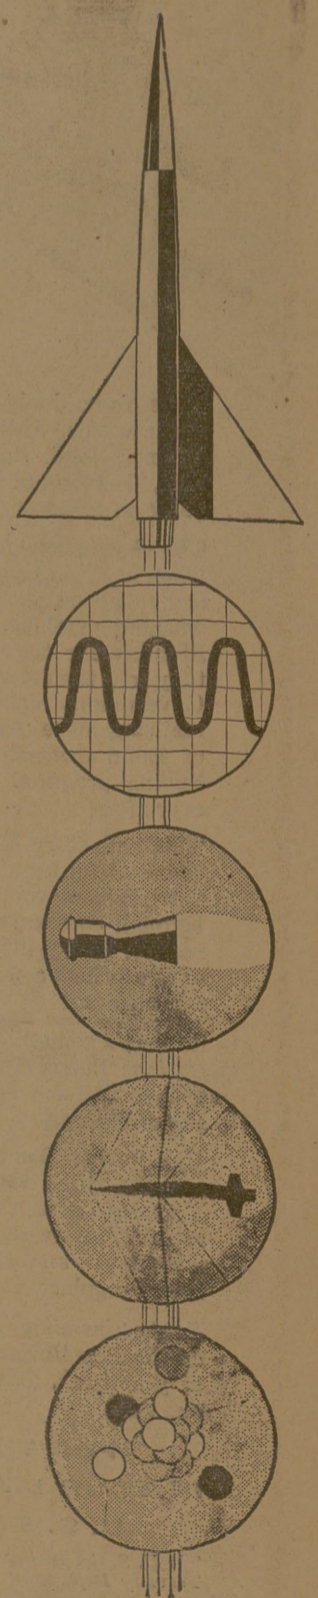

Engineering and developing Long-Range MISSILES—Intercontinental MISSILES... flying at hypersonic speeds.

Contact your placement office today. Make an appointment to see North American representative, Mr. J. W. Pietrowski on March 12, 13.

Or, write Engineering Personnel Director, Dept. 991-20 Col., North American Aviation, Inc., Downey, California.

ENGINEERING AHEAD FOR A BETTER TOMORROW
