

Burchard To Head Journalism Group

Donald D. Burchard, head of the Journalism Department, was elected president of the faculty division of the Southwestern Journalism Congress Saturday at Southern Methodist University. Other officers include Dr. William J. Thomas, Baylor University, vice-president; and Dr. Warren K. Agee, Texas Christian University, secretary.

Joe Tindel, sophomore journalism major here, was elected president of the Southwestern Student Press Club, the student branch of the Congress. David McPherson, Hardin-Simmons University and J. B. Cue, Oklahoma A&M were elected vice-president and secretary.

The 1957 Congress will meet on the A&M campus.

Engineering
(Continued from Page 1)

ior year, showed the most improvement in scholarship.

Students currently completing junior courses in petroleum engineering receiving awards included Joe Bill Foster, Greenville, who received a \$450 cash award, plus fees, tuition and books to a maximum of \$500. The award, presented by J. N. Pedersen, was for showing academic proficiency and overall achievement in college activities.

Robert L. Ridings, Dallas, received a \$400 cash award, plus tuition to a maximum of \$500, from the Socony Mobil Oil Company, selected by the company from a list of three students nominated by the Petroleum Engineering Department. Included in this award was a gift of \$400 to the department.

Joe A. Marek, Victoria and Larry D. Piper, Brownwood, received the George P. Mitchell Scholarship award of petroleum engineering handbooks with their names engraved, for being selected by the department faculty as outstanding junior petroleum engineering students.

A new award of \$150 established by George P. Mitchell, a petroleum engineering faculty member selected by the dean of engineering, went to Robert L. Whiting, head of the department. Mitchell, an A&M petroleum engineering graduate, class of '40, resides in Houston.

mechanical and aeronautical engineering majors for openings in design and development, structures, aerodynamics, and testing research. They will also talk to any junior interested in an aviation career.

LOCKHEED AIRCRAFT CORP., of Van Nuys, Calif., will interview aeronautical, mechanical, electrical engineers and physics and math majors for opportunities in the Missile Systems Division.

LOCKHEED AIRCRAFT CORP. of Burbank, Calif., will interview aeronautical, mechanical, electrical and civil engineers and advanced degree math and physics majors for various opportunities.

The Battalion
The Editorial Policy of The Battalion Represents the Views of the Student Editors

The Battalion, daily newspaper of the Agricultural and Mechanical College of Texas and the City of College Station, is published by students in the Office of Student Publications as a non-profit educational service. The Director of Student Publications is Ross Strader. The governing body of all student publications of the A&M. College of Texas is the Student Publications Board. Faculty members are Karl E. Elmquist, Chairman; Donald D. Burchard, Tom Leland and Bennie Zinn. Student members are Derrell H. Gules, Paul Holladay, and Wayne Moore. Ex-officio members are Charles Roeder, and Ross Strader, secretary. The Battalion is published four times a week during the regular school year and once a week during the summer and vacation and examination periods. Days of publication are Tuesday through Friday for the regular school year and on Thursday during the summer terms and during examination and vacation periods. The Battalion is not published on the Wednesday immediately preceding Easter or Thanksgiving. Subscription rates are \$3.50 per semester, \$5.00 per school year, \$5.50 per full year, or \$1.00 per month. Advertising rates furnished on request.

Entered as second-class matter at Post Office at College Station, Texas, under the Act of Congress of March 3, 1879.
