Christian Church Holds Dedication

Chester Crow and Dr. D. Ray Lindley will be guest speakers Sunday at the formal dedication service of the new A&M Christian Church, stated the Rev. Clarence Ketch, minister.

Crow is executive secretary of the Texas Board of Christian Churches and Dr. Lindley is vice president of Texas Christian University.

The church has recently completed a sanctuary and office facilities designed by Ben H. Evans, who is a local member of the congregation and on the staff of A&M.

"The present units have been completed at an approximate cost of \$45,000," said Rev. Ketch, "which friends and churches over the state have contributed to help rebuild the church that was destroyed by fire last March."

Long range plans call for permanent educational facilities to replace the inadequate temporary ones that the congregation now uses. They also include a fellowship hall which will serve also as a student center.

The buildings completed are year-around air conditioned and the sanctuary is partially furnished. Folding chairs instead of permanent seating are used to allow the building to be used for purposes other than worship.

18 Scholarships Available at A&M

A total of \$8,300 in scholarships is available for the 1956-57 school year at A&M College, it has been announced by the Faculty Scholarship Committee. Eighteen scholarships are available.

Qualified students who wish to be considered for a scholarship should make application to the Secretary, Faculty Scholarship Committee, Registrar's office, not later than April 1. Application blanks may be obtained from the heads of departments, deans of the various schools and from the Registrar's office.

With few exceptions, the recipients of the scholarships which range in value from \$100 to \$950 each, will be students who are now juniors and will be seniors next fall. They will be selected this spring.

READING LESSON

Dr. Standish has had years of experience reading X-Rays like this one. To his trained eyes, each light and shadow means something, and this understanding has given new health and new life to countless persons.

But to most of us, this X-Ray is undecipherable. To understand its message, we would have to take a new kind of reading lesson; we would have to spend long hours at study.

Like the X-Ray, many of life's questions seem at first glance unanswerable. Indeed, some are beyond man's understanding. But in Church, we can be taught a new way of reading that makes mysteries far greater than that of this X-Ray seem suddenly, miraculously clear.

If you are interested in the meaning of life for yourself and your children, then profit by the teachings of the Church that have stood the test of centuries for millions of people.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
