

Swims in NCAA Finals

Okamoto in Nationals

A & M's sophomore swimming sensation, Tetsuo Okamoto, carries the Maroon and White into the NCAA finals tomorrow, Friday and Saturday at New Haven, Conn., in his specialty, the 1500 meters.

Coach Art Adamson and his prize pupil left Tuesday by plane for the national finals which will be held at Yale University.

Okamoto smashed two records as he led the Aggies to their record-breaking sweep of the Southwest Conference swim championship two weeks ago in Austin.

Okamoto got under the old 1500 meter mark by 27.1 seconds, easily winning with a tremendous 19:21.6 and captured the 440-yard free-style event with a record time of 4:51.6, eclipsing the old standard by 2.2 seconds.

The Sao Paulo, Brazil, splasher also finished second behind SMU's Pedro Galvoa in the 220-yard free-style race as the Aggies garnered a new high of 142 points to Texas' 91½, SMU's 90½ and Rice's 12. It was the second SWC title for Coach Adamson as A&M captured

the crown in 1945 and tied the Longhorns for honors in 1944.

A&M has never placed a man in the NCAA finals, but Okamoto has perhaps the best chance to place of any Aggie entrant. As a school-boy, Okamoto swam to third place in the 1500-meters representing Brazil in the 1952 Olympics.

The SWC voted to allow A&M to participate in the NCAA finals, bypassing the conference ban on post-season tournaments or games for the Aggies.

Ohio State University and Yale University, perennial swimming powers in the nation, will again battle for national honors, with the Ivy League team getting the favorites nod.

A&M Golf Course To Be Resodded

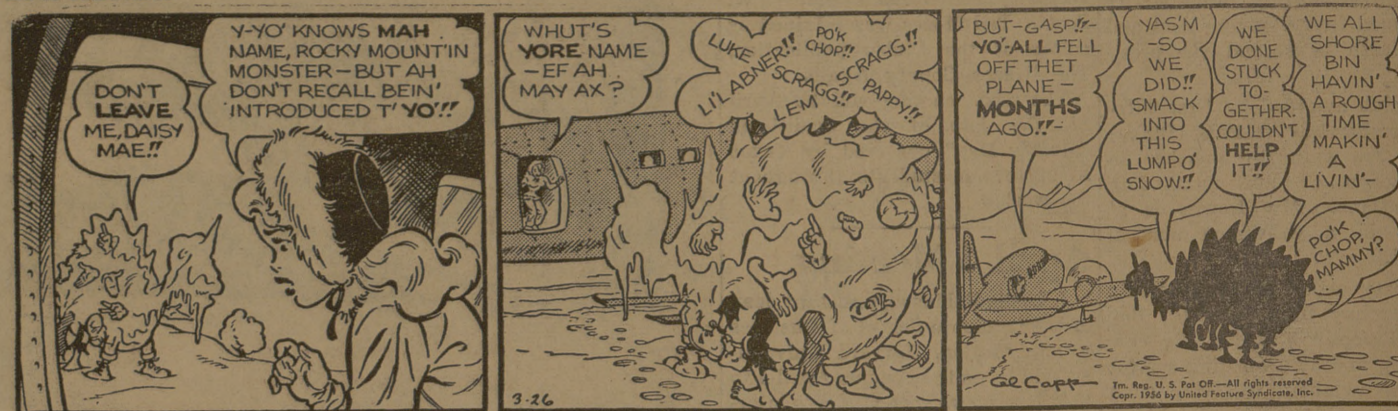

The A&M Golf Course will be resodded this summer, according to Joe Fagan, manager of the course.

The greens will be sodded with three new tropical bermuda grasses, proven suited for this climate.

Fagan said the course is in excellent condition now and that more people are playing golf every day.
