

DUCHESS ANNOUNCED—Georgia Johnson was chosen to represent Business Wives at the annual Cotton Ball at the party held in the home of Mr. and Mrs. T. W. Leland Friday night. Reading the new rules of the Ball are, left to right, Betty Chinnock, president; Mrs. Johnson, and Joy Churchill, alternate duchess.

Don't You Believe It—Not Hair At All

By LELAND BOYD
Battalion Staff Writer

The truth of science is far stranger than fiction.

Ever hear of little snakes that come from horse-hair placed in water during certain times of the year? Such an occurrence has often been held up for the truth by "showmen of science" featuring marvels of science for gullible people to behold.

Such an example is the legend of the horse-hair snakes. The legend originated with "snakes" appearing in watering troughs in horse lots. The snakes were about six inches long, white in color and like the many horse hairs that fell in the trough.

The verdict—life originated from the dead horse hair. Spreading of the "life from death" story was rapid and left up to "quack scientists."

Now, anyone knows that life from death is highly improbable, if not impossible. Parasites and insects that attack animals is the solution to the horse-hair snake legend.

A parasite known as the round worm, which lives in the intestinal tract of insects and animals, is the horse-hair snake. The worm, belonging to the order Nema Helminthes, is often found boarding with the June Bug. The June Bug picks up the worm when it is in the grub worm stage.

The June Beetle, while it is a grub worm in the pupa stage, gets the round worm in its intestinal tract. Then, after the grub worm pupates to the June Beetle form, it only needs to drown in the horse trough for the round worm to escape and become the horse-hair snake.

Aggies Wives Council

Charm School Planned

The Charm School, under the direction of Mrs. George Freeman, will be held April 9, 16 and 23, according to Kathy Neinst, president of the Aggie Wives Council, sponsors of the School.

Mrs. Freeman, a resident of College Station, was a model instructor for the Patricia Stephens Modeling School in the Dallas office for four years.

After receiving her training in Dallas, St. Louis, Mo., and Chicago, Ill., the former model taught all over the country.

Mrs. Freeman had a beauty school in Amarillo for one year and also had a television show for

three months in Dallas teaching beauty care.

The beauty courses will be \$1 per lesson for each person and reservations may be made by contacting Mrs. Neinst at VI 6-4938.

Held in room 1, YMCA, the charm school will begin at 8 p. m. each Monday and will be devoted to helping individuals and their beauty problems.

Aggie Wives may sign up for either one, two or three lessons, it was decided at the council meeting Monday night.

The baby sitting and group graduation projects were dropped from the agenda as the clubs voted it down.

Nancy McCarty was chosen to represent the council at the Cotton Ball Pageant.

Ever find your potatoes have a sweetish taste? Then check the storage temperature. If it is below 40 or 50 degrees, some of the starch turns to sugar. And of course potatoes like a blackout, so give them a dark waiting-room as well as a cool one.

Minister, Students Plan Mexico Trip

Rev. Charles G. Workman, minister to students at the A&M Presbyterian Church, is planning to spend six weeks on an agricultural service project in Mexico.

He is going to take 12 students with him on the project. They will be selected on the basis of those who wish to attend. Rev. Workman would prefer to have six Mexican students and six American students.

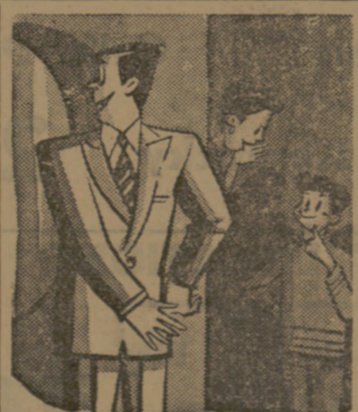

The group will leave for Toluca, Guerrero, Mexico, around the first of June. One purpose of the project is to teach and demonstrate the preservation of food supplies. A religious study program for the members of the group will be conducted by Workman and several trips will be made to various places of interest in Mexico.

Cost of the trip and expenses during the six weeks will be about \$150. Workman hopes to have the members of the group selected by the end of April. Preference will be made for agriculture and industrial education majors.

A&M Rodeo Club Changes Policies

The Rodeo Club has accepted new policies in conjunction with the National Intercollegiate Rodeo to be held here April 19-21.

All contestants will be issued numbers to wear. The numbers will serve as a pass for contestants to get into the arena. The other policy set by the Club was that all professors would be given complimentary passes for the Saturday evening performance.

CAMPUS CLEANERS

ARTIST AT WORK

It's the day before Easter, and Johnnie is dyeing eggs. Like most little boys he finds the task pretty fascinating, and he revels in small seas of yellow and red and blue and green.

Easter morning, the eggs will have been hidden by his parents and he and his sister will excitedly hunt for them. Probably they'll stumble across some chocolate bunnies and candy chickens, also. But that will not be all of Easter for them.

Johnnie and his sister will be going to Church, too. They may not understand the complete significance of everything they hear and see . . . but they are old enough to know something of what Easter means. And with each passing year they will learn a little more.

Johnnie's parents have started early to train their children in spiritual as well as physical values. Easter eggs, yes. But Church, by all means, too. Not just on Easter, either . . . but on every Sunday in the year.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
