## SANCTUARY

The sun makes golden patterns across the tiled floor, and there seems something ageless and of wondrous beauty in the vaulted arches of solid stone. Here there is sanctuary, freedom, at least temporarily, from the worries of the outer world.

In every great life, there have been times of reflection and meditation. There have been moments of solitude to renew a flagging spirit with the infinite power of God, to find an inner peace which comes from another world.

In every life, there are times when sanctuary is needed. There are moments when the quiet witness of the Holy House is more eloquent than all the words in the world.

Often a step into the shadowed quiet of a church brings a resurgence of faith and courage that sets life on a new and greater course. This is the miracle of sanctuary—a miracle that can happen TO YOU!

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy, nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his children. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
