

GRADUATE SPEAKER—E. P. Blizard, director, applied nuclear physics division, Oak Ridge National Laboratories, Oak Ridge, Tenn., will be speaker tonight for a graduate lecture in the Biological Sciences Building. The lecture will begin at 8 p.m. and Blizard will speak on "Shielding of Reactors."

Engineers Contest Set For April 28

First prize in each class of the annual Engineering Drawing Contest to be held Saturday, April 28, will consist of a set of drawing instruments. Prizes of commensurate value will be given for second and third places.

All students interested in entering the contest should advise their Engineering Drawing instructors as soon as possible and receive instructions.

Contestants for Class A, Working Drawing, Class B, Descriptive Geometry Problems and Class D,

Freehand Pictorial, will report to Room A, Anchor Hall at 1 p.m. Contestants for Class C, Freehand Lettering, may obtain material and instructions from their instructors any time during the week prior to April 28.

Finished work must be turned in not later than 1 p.m., April 28.

Complete rules for the contest are posted in Engineering Drawing classrooms and are available at the department office in Anchor Hall.

BA Students Winners Of Recent Awards

Five students in the Business Administration Department have been named winners of awards established by T. W. Mohle and Company of Houston and E. O. Cartwright of Dallas.

The Mohle awards go to Charles R. Haning of College Station and Robert J. Hotard of Bryan, both in accounting; and to John C. Burchard of College Station and William T. Glass of Bryan, in business.

John E. Smith of College Station, who has done his major work in personnel administration, is the winner of the Cartwright award. He is a graduate of A&M Consolidated High School and is due to graduate in 1957.

Mohle and Company makes annual awards to outstanding students in the field of business administration and accounting. The winners are selected by the Department of Business Administration through committees appointed by T. W. Leland, head of the department. Each winner will receive a watch which will bear an engraving indicating that he was selected as an outstanding student in the current year.

The Cartwright award goes to an upcoming senior majoring in business administration. The award is \$250 and is known as the R. L. Elkins award. Elkins is a member of the Business Administration Department. It is awarded to a student who has shown evidence of scholarship and leadership.

Haning has done his major work in accounting. He is due to graduate in May and is a graduate of Denison High School.

Hotard has done his major work in accounting. He is a graduate of Bryan High School and is due to graduate in January, 1957.

Burchard has done his major work in finance. He is a graduate of A&M Consolidated High School and is due to receive two degrees in May—one in business administration, and the other, bachelor of arts.

William T. Glass has done his major work in marketing. He is a graduate of Mt. Pleasant High School.

Room Reservations Due Before May 1

Guest room reservations in the MSC for the 1956-57 school year will be accepted May 1 through May 31, according to Mrs. Mozelle Holland, MSC guest room manager.

A drawing will be held to determine who will receive accommodations after the deadline May 31. Following the drawing, notices will be mailed to each person submitting requests for guest room reservations, indicating whether they are to get a room in the Center.

The rest of the requests will be placed on a waiting list and will be notified two weeks before the event should a room become available due to a cancellation.

A deposit will be required from persons receiving reservations. The reservation will be cancelled if no deposit is received at least two weeks before the event.

Horticulture Staff Start Long Move

The \$90,000 horticulture laboratory at the horticulture farm is now completed and the moving-in process is being done this week, according to Dr. E. E. Burns, of the horticulture staff.

Featured in the building's facilities are eight storage rooms with constant temperature and humidity controls and complete facilities for freezing, heat processing, drying, and chemical preserving of fruits and vegetables.

Three courses not offered recently will be added to the courses taught in the Horticulture Department next fall. Burns, who transferred to the A&M faculty from Purdue this semester, will teach the courses.

The courses are an introduction to food processing, problems in food processing, and a problems course in food processing for graduate students.

Consolidated Menu

J. H. Quisenberry

Dr. J. H. Quisenberry, head of the Poultry Husbandry Department, is attending the International Poultry Congress in Mexico City.

Consul To Speak To Honor Society

British Consul General, J. C. B. Richmond, HMD, will speak to the A&M chapter of Phi Kappa Phi National Honor Society today at 4 p.m. in the College Administration Building, according to W. E. Street, chapter president.

The subject of his talk will be "The Marshall Scholarships."

These are given under Marshall Plan for students to study in England.

All faculty and student members, including those recently elected and not yet initiated into the society, are invited to attend.

Because Americans prefer red cedar pencils other types of cedar wood are dyed and given a cedar scent by some pencil manufacturers.

The Battalion

The Editorial Policy of The Battalion Represents the Views of the Student Editors

The Battalion, daily newspaper of the Agricultural and Mechanical College of Texas and the City of College Station, is published by students in the Office of Student Publications as a non-profit educational service. The Director of Student Publications is Ross Strader. The governing body of all student publications of the A&M College of Texas is the Student Publications Board. Faculty members are Karl E. Gimreist, Chairman; Donald D. Burchard, Tom Leland and Bennie Zinn. Student members are Derrell H. Guiles, Paul Holladay, and Wayne Moore. Ex-officio members are Charles Roubert, and Ross Strader, Secretary. The Battalion is published four times a week during the regular school year and once a week during the summer and vacation and examination periods. Days of publication are Tuesday through Friday for the regular school year and on Thursday during its summer terms and during examination and vacation periods. The Battalion is not published on the Wednesday immediately preceding Easter or Thanksgiving. Subscription rates are \$3.50 per semester, \$6.00 per school year, \$9.50 per full year, or \$1.00 per month. Advertising rates furnished on request.

Entered as second-class matter at Post Office at College Station, Texas, under the Act of Congress of March 3, 1879.
