Light beyond the shadows

People who see the Light that shines beyond the present shadows can walk safely along the way of life. Those who stumble in darkness and fear are the people who lack the vision of faith.

A man named Saul of Tarsus groped in the darkness of the pagan world. His heart was filled with hate and he saw them stone the servants of God. Then he saw the Light and became a new man.

The skies of life are often filled with clouds and storm. Strife and hatred, selfishness and meanness, suffering and despair, rob the day of its brightness and fill the world with woe.

But those who have the penetrating vision of faith need fear no harm. If they keep their eyes fixed on the Light that lies beyond the shadows and trust in God, they may walk in the perfect security of faith.

The blackness of night cannot quench the Light of faith; the sweeping storms of adversity cannot blot it out. It shines on undimmed into the perfect day, when the storms depart and the shadows fade away.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
