

TC's, Composite Win 'Mural Softball Playoffs

By JOE BOYD
Intramural Writer

A-Transportation's relief pitcher Neal Namken calmly stepped into the final inning of a playoff softball game with B-Infantry to strike out two men, walk one, and breeze three past another for a 12-9 victory and a quarter-final berth in upperclassman murals. Tim Hubacek struck out eight men, sending A-Composite over B-Armor 10-1 for a quarter final slot in freshman softball.

Fred Galley, A-TC's second baseman, long overdue in the fifth cannonballed the only homer of the game with no one on base. Leroy Knippa relieved pitcher Fred Raby in the fourth and held the mound until Namken saved the day in the sixth.

B-Infantry went into the third inning facing a 5-0 deficit and slugged out of it with an 8-5 lead over the transportation team. Six hits and two walks ran the score in favor of the Infantrymen with

David Eby initiating the barrage with a one-base hit. Jim Adams advanced to first on a walk and John Beaty was the next to catch on to Raby's style with another hit.

The TC nine advanced within one point of the infantry lead in the fourth as John Hendricks and Bobbie Hardee made the circuit on a hit and a walk. Knippa allowed only one hit in the bottom of the fifth tied things up. Knippa again held the infantry team to a single hit as superb TC fielding provided three consecutive outs.

After powering in four runs for a 12-8 lead in the sixth the transportation team took the field again with Knippa still on the mound. Three walks filled the bases for the infantrymen before Namken received the call.

Tim Hubacek allowed only two hits as the Composite freshmen buried B-Armor. Gene Wortham and George Litton led slugging with two diamond circuits each.

Shortstop Clifton Bates and right fielder Don Turner showed good in the composite field.

Golf, Net Teams In Action Today

A&M's golf and tennis teams go into action this afternoon in crucial battles at Austin and Houston.

The Aggie golf team is currently battling top ranked SMU in the Southwest Conference crown. Coach Joe Fagan's linksmen gained their third shutout of the season here Saturday by trimming Rice, 6-0, and pulled within 1½ points of the Mustangs from Dallas.

Bobby Nichols, Jerry Durbin, Marcelino Moreno and David Vandervoort teamed up to crush the Owl golfers with ease. Nichols and Durbin joined forces to post a doubles victory while Moreno and Vandervoort did the same.

Today's meeting with Texas at Austin will be the final match of the season before the SWC tourney at Fayetteville, Ark., May 10-12. The Longhorns pose a definite threat to the Aggie's title hopes, as they stand only 4½ points behind A&M in conference standings, and hold several impressive victo-

ries this season.

Coach W. M. Dowell's tennis team has only one more meet, with Houston tomorrow, before entering the conference tournament at Waco May 10-12. Texas, a perennial power in Southwest Conference tennis, is running true to form this year and is leading the pack at present with 23 wins and one loss.

The Aggies stand fifth in league rankings, while their opponent today, Rice, is fourth. Last week SMU shutout Rice, 6-0, while the Longhorns were doing an equally efficient job against A&M, 6-0.

Four sophomores make up the majority of the Aggie tennis squad. They include Joe Simmons, John Young, Rex Reed and John Medlin. Senior Bill Ashburn and junior Don Division are other Cadet stalwarts.

Texas and SMU clash at Austin today with the tennis championship on the line. Texas could cinch the title by winning just half of its matches.

Ag Boxing Club Host To Tournament Here

Texas A&M's Boxing club will play host to teams from Houston, Fort Worth and Waco in an invitational tournament at the A&M Consolidated High School gymnasium Friday and Saturday.

Tickets for the tourney can now be purchased from any member of the Aggie Boxing Club. General admission is \$1 and reserved seats are \$1.50.

Sponsored by the College Station Lions Club, the tournament will be a source of revenue for a fund to aid crippled and underprivileged children in this area. Twenty-five per cent of the net proceeds will go to the A&M Boxing Club to buy letter sweaters and needed training equipment.

The tournament will feature some of the best amateur boxers in Texas, according to Horace A. (Andy) York, coach of the Aggie team.

Rudy Garza's Fort Worth Panther Boys Club boxers, heavy winners in the recent Golden Gloves tournaments, will be among the outstanding participants. The Waco Boys Club and several leading unaffiliated amateurs from Houston will be here in both the open and novice classes.

Seating capacity for the tournament will be only 1250 each

MILWAUKEE—The St. Louis Cardinals, docile and hitless for 6½ innings today, shattered Warren Spahn's spell with three singles for a run in the seventh and went on to a 2-0 victory.

Tigers Relax After Edging Cards Friday

A&M Consolidated's baseball Tigers rest this week after snapping their four-game losing streak with a 5-4 decision over the Columbus Cardinals.

The Tigers pulled their District 20-A record to 3-4 and dropped the Red Birds to the .500 mark with 3-3. CHS closes their season May 8 against Bellville.

Mike McGuire belted a crucial seventh-inning double scoring Pete Rodriguez all the way from first last Friday to break the 4-4 deadlock and give Edgar Feldman the victory.

McGuire led the 13-hit Tiger attack with three safe bingles in four trips to the plate while Feldman and Bill Kavanaugh smacked solo round trippers to aid the Consolidated cause.

Many Happy Returns
Of The Day!

This is the best anniversary
our U. S. Savings Bonds ever had

Just 15 years ago, in May, 1941, millions of Americans started buying Series E Savings Bonds through the U. S. Treasury Department. Those Bonds were called Defense Bonds in that troubled time. And if you were like most people, you bought them to help your country.

Let's see how your investment has paid off. First of all, you helped end tyranny on foreign shores and bring back peace to the world. Secondly, you helped finance the greatest prosperity this country has ever known. And equally important, your Bond investment has made a lot of your own personal dreams come true. New homes financed through Savings Bonds.

College educations paid for by Bonds. Retirement day brightened by Bonds. Yes, there have been many, many happy returns — thanks to United States Savings Bonds.

Just stop and think. If you had bought just one \$50 Bond a month at \$37.50, every month since the beginning of the Bond Program, your investment would be worth \$8,242 today. Start buying one \$50 Bond a month today — and 15 years from now you'll have a cash reserve of \$8,372.

So don't delay. Sign up for Payroll Savings where you work or buy Bonds regularly where you bank. Make sure that you get in on these happy returns.

15 Years of making dreams come true—
