They had never flown before. But early one morning Zdenek Machliner, 19, and Karel Kucera, 20, tied up a Czech guard and wobbled to the safety of West Germany in a stolen plane.

## Neither could fly... but they soloed to freedom

These two escaped—but 70 million others remain captive behind the Iron Curtain. And these are the people at whom Radio Free Europe beams its daily broadcasts. Escape is not its aim. Radio Free Europe penetrates the Iron Curtain to spread truth . . . to strengthen hope and resistance. Said the youths above, "It (Radio Free Europe) added courage and strength to strained nerves." "It offered us . . . a hope for a better future," said a young nurse who fled to the West.
