TIME IS MONEY

SAVE IT BY PLACING OUT-OF-TOWN CALLS BY NUMBER

If you want to turn your time into money, here's a suggestion: place your out-of-town calls by number. That way, you get faster service than when you give the operator the name and address of the person you are calling. You save your time. And, as everyone knows, time is money.

Here are typical Station-to-Station night and Sunday rates from **YOUR TOWN**
Rates to other places are correspondingly low.
