A&M's baseballers broke even against Baylor yesterday, winning the varsity encounter, 7-4, but losing a close one to the Cubs as the Fish fell, 5-4.

They could have called it at the end of the first in Waco as the Aggies got back on the hitting trail and blasted the Bears, 7-4, behind Toby Newton.

A&M scored five times before the Baylor nine got off the diamond in the top of the opening inning, and held off the Bears to win their fifth Southwest Conference game against eight losses.

Left-handed Newton, Galveston's sophomore ace, went all the way for Coach Beau Bell's gang. Newton gave up nine hits and fanned six in picking up his third decision. He has lost four.

Larry Minaldi was the whole show for the Fish, scoring three times with a homer and a double to his credit. The Cubs picked up three runs in the first on but one hit, two errors and three passes by Fish pitcher Don Hullum, who went all the way.

The young Baylor nine got only six hits, but capitalized on Hullum's eight walks for their five runs.

Third baseman Joe Worden start-

ed things off in the first with a single to left and Behn Hubbard followed with another one-bagger. Captain Joe Boring delivered a long, two-run triple and scored minutes later when James Smotherman's ground ball went for an error.

Elo Zatopek singled home John Stockton, who had walked, and came home himself on Dick Bleckner's clean hit to left to end the scoring as Bleckner was picked off first and Newton grounded out.

The Bears came back with a pair of runs in their half of the first. Second-baseman Tom Anderson received a free pass to first and moved to third on Don Berry's single. Both scored when right fielder Jackie Davis smashed a long two-bagger.

Baylor's Jerry Mallett settled down after the disastrous first and held the Aggies scoreless until the fifth. In the meantime the Bears had picked up a run in the bottom of the fourth on singles by Gene Liston and Anderson, with a walk to Mallett in between.

Boring opened the A&M fifth with a single to left and rode home easily on Clyde Stinson's tremendous triple to right-center. Stinson scored as Stockton drove a hit into right and that was all for the Aggies, but it was enough.

Baylor got their final run in the sixth when Wayne Connally doubled home Talamontes, who took over for Mallett in the sixth and had singled leading off the inning.

Bellville Raps CHS In Baseball Finals

A four-run outburst in the second inning netted Bellville's Brahmas a 7-3 victory over A&M Consolidated yesterday, and at least a share of the District 28-A baseball title.

Bellville scored once in the bottom of the first on a single and a walk. CHS came back in the top of the second to tie it up, 1-1. Bobby Witcher and Jack McNeely hit back-to-back doubles to push across the run.

The Tigers netted two runs in the fifth as Edgar Feldman and Mike McGuire smacked singles and scored on two walks and an error to make the score 5-3. Bellville ended the scoring with two runs in the last of the fifth.

Seven seniors played their last game for CHS including Manuel Garcia, Dick Hickman, Mike McGuire, Witcher, McNeely, J. D. Millings and Bill Hite.

classman finals with a resounding 8-0 win over the Ordnance nine. A-Ordinance freshmen advanced to final competition defeating Squadron 3, 7-5.

Morrison allowed but four hits from the Ordnance nine pitching only a straight fast ball. Third baseman Jack Walker accounted for two infantry runs advancing on a walk in the first inning and again in the third on a clean hit.

First sacker Ted Batek also racked up two round trips for the infantry sluggers. Shortstop Don Farek scored in the third after getting on base via a walk. Other scorers were centerfielder George Johnson, left fielder Bill Thomas, and Morrison.

The infantrymen entered the third inning sporting a slight 2-0 lead when almost everyone solved Ordnance hurler Pat Brune's style. The payoff inning netted six diamond circuits.

Third baseman Davis Ford was the standout for the Ordnance freshman team. Ford crossed home plate twice for high scoring honors. Frank Pizzano took the mound for the winners and will probably see more action in their championship bid against C Infantry.

The new Arrow FREE-WAY
puts "action" in a shirt . . .

Here's a knitted shirt just made for active sports (and lounging around, as well). The feather-light fabric is bias-cut for perfect freedom in any position. The back, cut longer than the front, lets the collar fit your neck just right. In 20 colors. Wear it correctly—with the Arrow Bermuda shorts (6 different colors)—and you've made the perfect choice for summer FREE-WAY, \$3.95. Shorts, \$3.95 up.

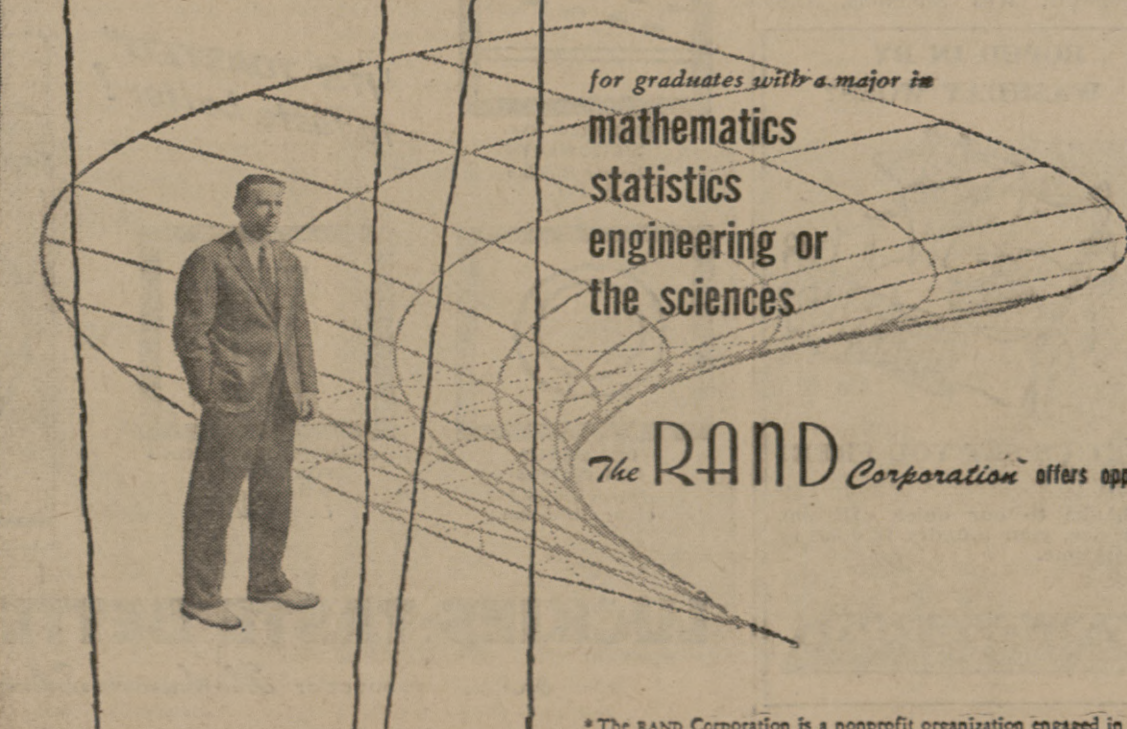

The new Arrow FREE-WAY is here!

There's not a man on campus who can't use one of these new action-back shirts. For tennis, golf or most any sport, the unique cut of the Arrow FREE-WAY prevents binding or straining—ever. (There's plenty of style in these shirts, too.) In 20 smart colors—and we have most of them for your selection. Arrow FREE-WAY, \$3.95.

The **RAND** Corporation offers opportunities in computer programming at Lexington, Massachusetts

At MIT's Lincoln Laboratory in Lexington, RAND is helping to develop programs for the new SAGE system of continental air defense. The SAGE system, perhaps the most advanced and comprehensive effort toward complete automation yet attempted, is centered around the largest and most intricate digital computer designed to date — the AN/FSQ-7.

For further information about opportunities at The RAND Corporation, write or call collect, Harold Willson, Jr., 205 Park Square Bldg., Liberty 2-2783, Boston 16, Mass.

* The RAND Corporation is a nonprofit organization engaged in research primarily concerned with national security.
