

A Infantry in Handball Win

A-Infantry blanked B-Composite 3-0 in freshman handball last night. Tom Johnson and Bill Cornelius sparked the infantry wall-smackers in their bid for a league championship.

Randy Curtis and Gene Beyer provided additional "push" for the infantry team and Len Lane teamed with Mike Henderson to complete the winning line-up.

Squadron 1 drew a forfeit from Squadron 11 in another freshman tilt. Wayne Smith and Frankie Wheeler were listed to play for Squadron 1. Others scheduled for action were LeRoy Herren, John Campbell, Mike Farmer, and Ben Williams.

A-Signal went on the record with a forfeit decision over D-Field's freshmen handballers in the night's final game.

Ag Cinder Men Battle Rice In Runner-up Race

By MAURICE OLIAN
Battalion Sports Staff

With defending champion Texas rated a solid favorite to capture the championship in the varsity division of the Southwest Conference track meet in Fayetteville, today and tomorrow, the main interest is focused on the battle for second place.

A&M, expected to dominate the field events, and Rice should wage a merry battle for the runner-up spot. Baylor, Arkansas, Southern Methodist, and Texas Christian do not appear to have the strength

needed to pose as a serious threat to any of the top three teams.

"Baylor could take some points from Texas, especially in the sprint relay," said head track coach Frank Anderson, "but I don't think they'll do enough harm to keep Texas from winning."

The top varsity performances of the 1956 season show that the Aggie's best chances of winning gold medals are in the low hurdles, shot put, discus, broad jump, pole vault, and javelin.

Emmett Smallwood has the con-

ference's second best time, 23.1, in the low hurdles and his 23-11 1/2 is tops for the broad jump. Tom Bonorden, who is the only 1955 winner expected to repeat this year, has the top shot put mark—54-4 1/2.

The best discus throw, 170-2, has been turned in by the Ags' Bobby Gross. In the pole vault, are two Cadets, James Clark, with 13-8 3/4, and Winton Thomas, 13-8, own the year's best heights. The SWC's leading javelin throw this year has been Oran Helvey's 199-5.

THE CONFERENCE RECORDS that appear to be the most seriously threatened are in the 100-yard dash, the 220-yard dash, one-mile run, 440-yard relay, one-mile relay, and the discus.

Texas' blazing Bobby Whilden, with a 9.4 and a 20.4 in the 100 and 220, could lower the marks of 9.5 and 20.4 in those two events. A bevy of Longhorns and a Razorback, Ed Morton, are all capable of breaking the 4:17.2 record in the mile run.

The 440 relay promises to be one of the highlights of the meet with the 40.8 loop record almost certain to fall. Texas has done a 40.1, a new world record, and Baylor 40.2. In the mile relay the record is 3:13.9, but Texas has been clocked (See THINLYCLADS, Page 4)

Adamson Devoted To Ag Swimmers

By ROY CARPENTER
Battalion Guest Writer

Swimming may be considered a minor sport by some, but to Art Adamson, head coach of the Aggie swimming team, it is not only a major sport but also a way of life.

Having swum since he was seven, Adamson spends an average of 12 hours a day at the P. L. Downs Natatorium. This devotion

to his job has paid off, for last March the Aggie swimmers climaxed an undefeated season by winning the SWC championship for the second time under Adamson's leadership.

Coach Adamson says, "A boy may want to swim, but it doesn't do any good if he does it wrong. That's where I come in."

Adamson, who was born in England and became famous as a swimmer in New Zealand, is recognized as one of America's top swimming coaches. He is widely known for his ability to take a young swimmer and develop him into a star. Indeed, Jose Merino, free-style and backstroke star from Lima, Peru, came to A&M because his dad had heard of Adamson's coaching skill and wanted Jose to swim for him.

THIS REPRESENTS a great advancement for Coach Adamson since he came to A&M in 1934 as a student as well as a coach. With little formal schooling behind him, Adamson came to Aggieland determined to receive a college education. He worked his way through school by coaching the swimming team, and now holds a Masters degree in physical education.

Throughout the school year in addition to his duties as coach, Adamson carries a full teaching load, being swimming instructor in the physical education classes.

During the summer Coach Adamson gives swimming lessons to children from Bryan and College Station. He is quite a favorite with the youngsters, who call him "Uncle Art".

COACH AND MRS. ADAMSON live at 201 South Grove. Their son, Van, followed Adamson to Aggieland and was Southwest Conference swimming champ in different events for three years, showing that swimming talent seems to run in the Adamson family.

CHS Athletes Feted Saturday By CS Kiwanis

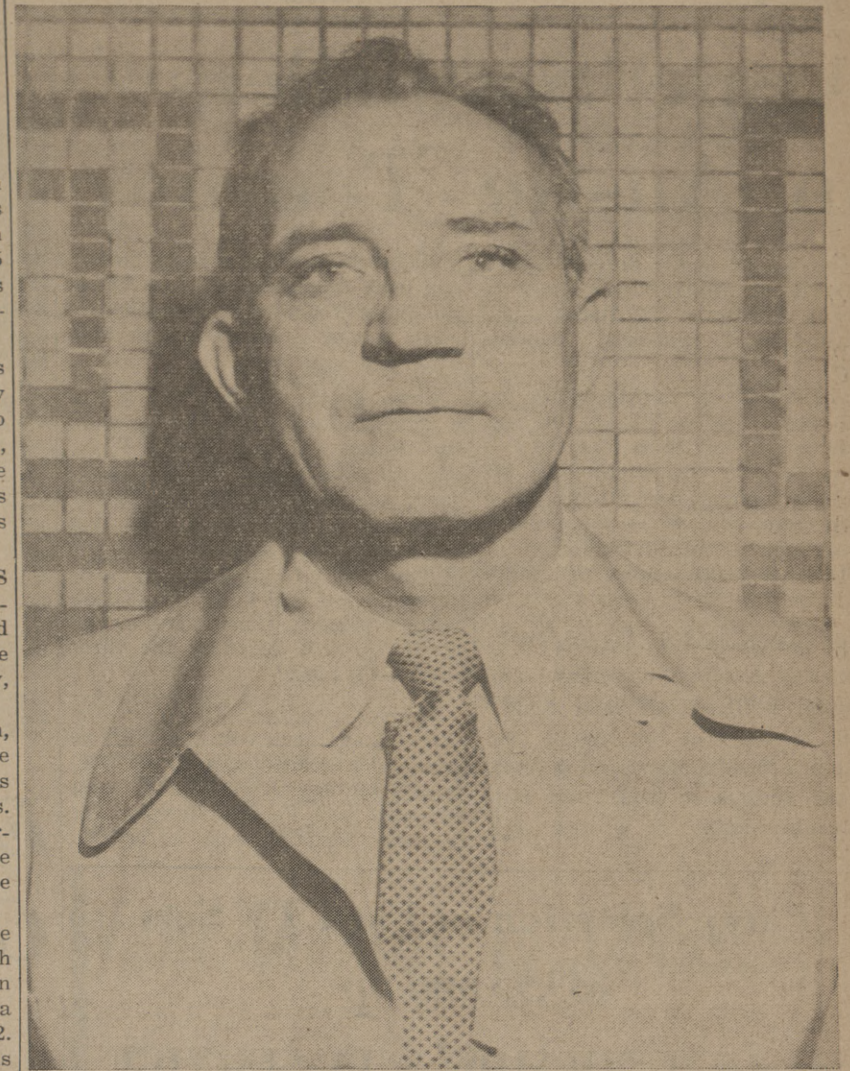

The Kiwanis-sponsored CHS Athletic Banquet is scheduled for 6:30 Saturday night in the A&M Consolidated Cafeteria. The banquet will honor all boys who participated in athletics at Consolidated during the 1955-'56 school year.

Jim Bevans, ex-Tiger coach of football, basketball, baseball, and track, will be the master of ceremonies.

A total of eight awards will be presented during the evening. Four awards will be given in football—most valuable player, co-captains, best blocker, and best defensive player. Two awards, most valuable player and captain will be given for basketball.

Following the banquet, the athletes and their dates will transfer to the Activity Room for several hours of dancing.

Consolidated coaches for the past school year were Horace Schaffer, football, track, and tennis, Larry Hayes, basketball and track, Edsel Jones, baseball, William Miller, golf, and Art Adamson, swimming.
