LUCKIES RING THE BELL with college students all over the country! The reason: Luckies taste better. That's because they're made of fine tobacco — mild, naturally good-tasting tobacco that's TOASTED to taste better. Now check that Droodle above: Lucky-smoking midget in telephone booth. He may be short on stature, but he's mighty long on smoking enjoyment. Next time, ask for Luckies yourself. You'll say it's the best-tasting cigarette you ever smoked!
