

Aggie Rodeo Team Places Third in Southern District

A&M's Rodeo Team took the third place in the Southern District competition for the 1955-56 season. The two highest teams in the district go to the National Rodeo in Colorado Springs, June 5-10. The Aggie riders will not go as a team, but the members on the team with the highest number of points in the district will make the trip.

Jack Bridges, senior from Glen Rose, won the tie-down calf roping and the ribbon roping for the year.

Billy Steele, senior Animal Husbandry major from Streetman, took second in the ribbon roping.

A. G. Ollre, sophomore pre-vet major from Houston, captured the bareback bronc riding and along with Bridges and Steele will go to the national affair.

Trophy saddles will be given to the winner of each event at the national and second place winners will receive gold and silver belt buckles.

Athletics Leave Cellar In AL's Longest Game

KANSAS CITY—The dogged Kansas City Athletics pulled themselves out of the American League basement Wednesday with a 17-inning, 7-6 victory over the Washington Senators, decided by Camillo Pascual's bases-full wild pitch that let bonus boy Cletus Boyer scamper in with the winning run.

It was the longest game in the American League this year. Jim Finigan's home run to lead off the 17th against faltering Connie Grob tied the score after Washington had gone ahead 6-5 in its half on Roy Siever's single, a sacrifice and Whitey Herzog's double. Then in a struggle as tense as though the clubs were battling for the league lead, the Athletics eked out the winning run. Grob got Joe Ginsberg on a pop foul but young

Boyer popped a single to right. Manager Lou Boudreau, who had used three straight pinch hitters in a successful effort to tie the score in the ninth, reached into his bullpen and brought up left-handed pitcher Tom LaSorda to hit for Tom Gorman.

Skipper Charlie Dressen yanked Grob and brought on lefthander Chuck Stobbs to pitch. Then Boudreau substituted another hurler, right-handed hitting Alex Kellner for LaSorda. The big pitcher responded with a single to short right field, sending Boyer to third. Pascual came in to relieve Stobbs and walked Mike Baxes on four pitches, filling the bases.

Local Reservist Is Commended

J. C. Niemeyer, junior business administration major from LaGrange, received a special commendation from the Secretary of the Army last night at ceremonies in the armory of the 90th Artillery Division.

The commendation was awarded to Niemeyer for outstanding service in recruiting five members in the Army Reserve and signed by Wilber M. Brucker, Secretary of the Army.

The five men enlisted by Niemeyer included: L. H. Brieden, Jr., Melvin W. Carton, Jr., Ewald J. Fischer, James D. Jones and Ernest D. Upham.

USC Athletes Get Under-Table Fund

LOS ANGELES—Athletes at the University of Southern California Wednesday were pictured as benefiting from a secret fund cofounded by three superior court judges in Los Angeles.

J. Miller Leavy, a Los Angeles deputy district attorney, told a press conference 60 or more athletes received \$71,235 from the fund over a period of two years. He said the payments were in excess of Pacific Coast Conference regulations.

Leavy insisted he was making the charges as an interested alum-

nus of the Trojans' crosstown rival, UCLA, but not as a member of the UCLA athletic advisory board.

Leavy also insisted there was no vindictiveness in his action despite the punishment inflicted on his alma mater by the conference faculty representatives in their meeting at Vancouver, B. C.

Leavy said that this morning he mailed the PCC commissioner, Victor O. Schmidt, and Dr. Emmett B. Moore, president of the conference faculty members, documentary evidence backing up his allegations of "undercover activities."

The registered letter was sent to the PCC office here.

"The information sent to Commissioner Schmidt and Dr. Moore discloses a 'secret' fund administered by an organization, obviously of Southern California boosters, but not the Trojan Club or the Trojaneers official alumni organizations," he said.

"This organization, by its own records," Leavy continued, "shows that in a two-year period, the sum of \$71,235 was distributed to not less than 60 named University of Southern California athletes. The amounts range as high as \$900 a year to individual athletes.

AAU Changes Date Of Swimming Meet

WEST PALM BEACH—Ben York, national Amateur Athletic Union chairman of women's swimming, Wednesday announced a change in dates for the women's national championship meet at Tyler, Tex.

The new dates are July 4-7 with the platform diving event scheduled at Houston July 8. The swim dates were moved up several weeks to avoid a conflict with the Olympic tryouts at Detroit in August.
