CAMPUS CLEANERS

50 YEARS—Dr. and Mrs. F. C. Bolton of 125 Lee Street, College Station, will celebrate their Golden Wedding Anniversary, Sunday, June 24. Dr. Bolton came to Texas in 1909 to become the first head of the A&M's Electrical Engineering Department. In 46 years on the college staff he is credited with having an important influence in the development of engineering in Texas and the Southwest. He rose through the ranks to become dean of engineering, dean of the college, executive vice president and in 1948 was named president. In 1950 he became president emeritus.

Aero Students Win \$1,000 Scholarships

Philip E. Johnson and Howard Lewis Chevalier, aeronautical engineering majors, have been awarded scholarships totaling \$1,000, according to the Aeronautical Engineering Department.

Johnson won the Douglas Aircraft Scholarship of \$750 for "outstanding student in aeronautical, mechanical or electrical engineering."

Chevalier won the North American Aviation Award of \$250. This is given to a student who "will contribute outstanding service and duty to the industry."

youth, beauty,
 Chevrolet,
 action!

The new Bel Air Convertible—one of 20 sassy-styled new Chevrolets.

Want to take the wheel of one of America's few great road cars? Want to send pleasant little tingles up and down your spine? Then hustle on in and try out a new Chevrolet V8!

Now showing—the happiest "double feature" of the year! One part is bold, new Motoramic styling. The other is record-breaking V8 action. Hollywood has a heap of words that describe it: colossal, stupendous, magnificent. We'll settle for just the name—Chevrolet.

Because once you've driven this sweet-handling showboat, the ad-

jectives will take care of themselves. Horsepower that ranges up to 225 makes hills flatter and saves precious seconds for safer passing. And the way this Chevrolet wheels around tight turns would gladden the heart of a dyed-in-the-wool sports car fan.

Stop in sometime soon and highway-test this new Chevrolet.
