

One 'Critical' Two Recovering After Crash

One former student is still on the critical list and two others are responding to treatment following a head-on collision at Hattiesburg, Miss., last month.

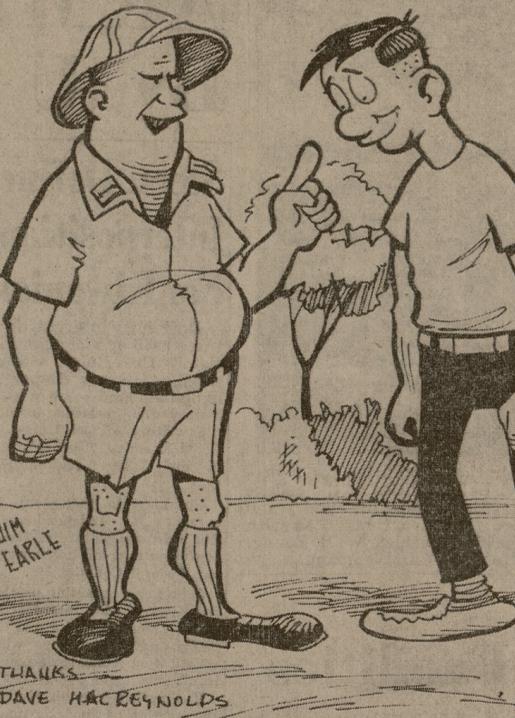

Z. W. Falcone, driver of the car, is in "very critical" condition, suffering from a crushed leg and the other leg broken in three places. He is reported to be "too weak" for an operation to remove his crushed leg and doctors say his response to treatment hasn't been good.

Donald Napp, riding alone in the back seat of the car at the time of the crash, is "progressing nicely" according to a letter received this week by Mrs. Virginia Fereday. He is suffering from a broken back, crushed ribs and a bruised lung. He is still in a Mississippi hospital. He is scheduled to be placed in a cast "soon" and then will be able to be transferred to Houston.

The third boy in the car is still not known, but is in "good" condition.

MECHANICAL ENGINEERING Wives Club will meet at 7:30 p.m. Monday at G. Rollie White Coliseum for the First Air Course, instructed by W. M. Dowell.

Board Honors Six With Resolutions

Six faculty members, former students and friends of the A&M System were honored with resolutions at the last meeting of the Board of Directors of the A&M System June 23.

The six men so honored included the late Paul D. Jones, Charles A. Price, Ervin H. Astin, L. A. Koenig, Jesse H. Jones and Ira G. Adams.

Paul G. Jones served as a fireman in the college power plant for nearly a "quarter of a century" and was "known as a faithful and efficient worker."

Price was associated with the Agricultural Information Office and was a veteran newspaper man having worked for the Associated Press for 45 years. "His loyalty to the System and its best interests was of the highest type and demonstrated his deep sense of service."

Astin, a former student, served as president of the Board of Directors of the System from 1912

Battalion Advertising Rates Increased At SPB Meeting

Advertising rates for The Battalion were raised, effective Oct. 1, interior decoration for new quarters approved and a Statement of Principles adopted earlier to be framed and hung in the offices of the Publications were approved at the Tuesday meeting of the Student Publication Board.

Meeting in the Student Senate of the MSC Tuesday afternoon the board unanimously approved the raising of rates for the Battalion, due to increased printing costs. Costs have been raised by about \$1,000 per year and this must be met by increase in advertising rates.

Rate changes will be effective Oct. 1 and will be changed to: national \$1.12 per inch; local retail, 75 cents down to 50 cents; classified display, same, but regular copy will be 3 cents per word and 2 cents per word for additional insertions with same minimum.

Present rates are: national 84 cents per inch; local retail, 65 cents down to 45 cents; classified, 80 cents per inch with 2 cents per word for regular copy with a 1 cent per word charge for each additional day with a 40 cents minimum.

Areas enclosed by the Student Publications Offices will be made

Reservations For Rooms Open Tuesday

Students planning to attend the second semester of summer school may pay fees and reserve rooms beginning Tuesday at 8 a.m., according to Harry Boyer, Chief of Housing.

"Those students that do not plan to live in dormitories, and including those living in College Apartments, during the semester must secure, or renew, their Day Student Permits at the Housing Office, located on the ground floor of the YMCA, before paying fees," Boyer added.

To avoid the registration day rush students attending summer school the first semester are urged to pay their fees and avoid delay.

Veterans attending school under the World War II (not Korean) GI Bill must secure fee waiver slips from the Veterans Advisors Office, on the ground floor of the YMCA, then present these at the Fiscal Office in the new administration building.

Korean veterans who have not signed enrollment papers for the second six weeks should report to Veterans Advisors Office and sign them prior to registration.

Rooms for the second semester may be reserved, for those wishing to reserve the room they now occupy, by reporting to the Housing Office between 8 a.m. Tuesday and 5 p.m. Wednesday. Students wishing to reserve a room other than the one they now occupy, including those students wishing to change dormitories may do so between 8 a.m. Tuesday and 5 p.m. Wednesday, by presenting a signed room change slip from the Housemaster of the dormitory he wishes to change to.

Graduation Cards

Students scheduled to graduate this summer may order graduation announcements at the Office of Student Activities on the second floor of the YMCA during the month of July. These announcements may be ordered by students graduating both in July and August.
