**Local Church
 Plans Center
 For Aggies**

A&M Church of Christ has announced the recent purchase of a large brick building to be remodeled and used as a Bible Chair and Student Center for Aggies, according to Mont Whitson, minister.

"Some \$15,000 will be spent in remodeling the building," said Whitson, "and present plans call for its complete renovation by Feb. 1, 1957." Meanwhile, it will be used as much as possible for the student work, he went on to say.

Recently, property was purchased at the rear of the church building for future Bible School expansion. In 1953 the auditorium was enlarged to accommodate members and visitors at the regular worship service.

"From summer indications," said Whitson, "the building should be full and overflowing when all the students and faculty return this Fall."
