

HERE IS ONE MAN THAT BROUGHT BACK THE EVIDENCE—Above is Jim Henry, cousin of W. G. (Breezy) Breazeale, civilian counselor at A&M with a 54-pound buffalo fish taken out of a three quarter acre stock tank on Breazeale's farm near Crockett. Breazeale caught this fish and another—not worth taking a picture of, it only weighed 51 pounds—in the tank on a gill net. The above fish was 39 inches long and had scales on it about the size of a silver dollar. Breazeale says authorities have estimated the age of the fish to be around 19 years old.

Counseling Day Set For CHS Students

Two days, Wednesday and Thursday, Aug. 15 and 16, have been set aside for counseling those students planning to attend A&M Consolidated High School next fall that will have conflicting schedules, announced J. J. Skrivaneck, Jr., principal.

Most of the class schedules have been completed for the coming year and these two days are set aside for students that have problems in arranging their work for the coming school year.

BAA Will Meet

The Brazos Aviation Association will meet at 8 p. m., Aug. 16, Thursday, at Coulter Field.

Movies of the recent air meet will be shown by Don Curtis and Asa Burroughs, of the Texas Aeronautics Commission will discuss the All Texas Air Tour with the group. The tour will be held in October, and plans have Bryan as a stopover point.

"If old students will cooperate and get their year's work planned early, Skrivaneck said, "I can devote more time to new students and other problems when school gets underway Sept. 5."

Letter to the Editor

Editor, The Battalion:

I want to take this opportunity to say thank you for the editorial about the day student parking lot. I personally believe it is time someone took notice of the sad condition of the lot.

You will probably be censored for your stand, but I think you should be commended. Since I have been here, there hasn't been anyone to voice a word for the day student. I, for one, am glad to see some action being taken.

You are right about the entrances to the lot in regard to their condition. I have lost one tail pipe and two tail-pipe extensions on the entrance by the Petroleum Engineering building. Perhaps by now someone can tell me why there is about a one-foot rise between the two streets. The other entrances are level in height only they are as rough as the Longhorns treated us last November.

Scouters Capture Third In Meet

Scoring a combined total of 41 points, the Arrowmoor District of the Sam Houston Area Council captured third place in the Council Invitational Swim Meet held last Saturday in Houston.

Arrowmoor District took second in the Scout Division and sixth in the Explorer Division, accounting for 26 and 15 points in the two classifications, respectively. They won one second, three thirds, three fourths, and three fifth places in the meet.

The lone second-place medal was won by Richard Badgett in the Explorer 100 yard breast stroke, as he represented Troop 411.

Finishing third was the 100 yard medley relay team of Boyce Oliver, Troop 409; Clark Kimberling, Troop 409; Joe Brusse, Troop 802; and

Gary Kimberling, Troop 409. Other third places were won by Brusse in the 50 yard freestyle and Oliver in the 50 yard backstroke.

Placing fourth in the 50 yard breaststroke was Clark Kimberling. In the 100 yard individual medley, Leslie Brusse took fourth place, as he represented Troop 802. Also taking fourth was the 200 yard freestyle relay team of Badgett, Walter Dahlberg, Troop 411; Kiver Dahlberg, Troop 411; and Jud Rogers, Post 450, College.

In the 100 yard freestyle relay, the quartet of Brusse, of Bryan Coon, Troop 409; David Potter, Troop 409; and Andy Ogg, Troop 409, came in fifth. Rogers also won a fifth place in the 100 yard freestyle. Tom Ivy took fifth in the 200 yard individual medley, as he competed for Troop 102.

Sports at a Glance!

By MAURICE OLIAN
Sports' fans of the College Station area are presently showing a rapidly-rising interest in a "minor" sport, tennis. Interest among both adults and youngsters in this sport is probably higher now than at any time in many years.

Plans are now underway for a tennis club to be organized among enthusiasts of the sport in College Station and Bryan.

Miss Mary Bell Kidd, Bryan High School tennis coach, has announced that a meeting of all those interested in forming such a club would be held next Thursday night, August 16. The exact time and place will be announced at a later date.

According to Miss Kidd, director of the local tennis meet to be held at the A&M College Concrete Courts next week, almost 50 entries had been received with the entry deadline still several days away. Play will be in three divisions—12-and-under, 13-15, and 16-18 for both boys and girls. Singles will be run off on Monday, doubles on Tuesday, and mixed doubles on Wednesday.

Making up in quality what they may lack in quantity, College Station swimmers are creating a large "splash" in more ways than one. Coach Art Adamson's charges have

competed in several meets throughout the state this summer, and they have always managed to come home with quite a few honors, both as a team and individually.

Doing the bulk of the swimming for College Station this summer has been John Harrington, Tetsuo Okamoto, Jim Covan, Jerry Mount, Martha Shaw, Gail Schlesselman, Ann Cleland, Judy Litton, and Ann Schlesselman, and all of them, at one time or another, have finished very high in their respective events.

Swimming, like tennis, is often called a "minor" sport, but, nonetheless, Coach Adamson's noners have brought many honors to this city during the past two months.

Skippin' around: The Brooklyn Dodgers' Don Newcombe, often referred to as "gutless" in the past is riding a real streak at the present time. He has won eight straight games, giving him 17 for the year, pitched three consecutive shutouts (one shy of the record) and 33 consecutive scoreless innings. . . Don't be too surprised if "Bear" Bryant's South All-Stars upset the "dope" and down Abe Martin's favored North All-Stars tomorrow night in Lubbock at the Texas High School Coaching School. Aggie-bound Charles Miltstead may be one of the main reasons. It will be a genuine upset,

Intramural Sports

By DON BISSETT
Law Hall is the star dust team of the current intramural softball league. Behind the winning pitching of right-handed Danny Valdez the team has won six while losing only one game. Clayton Mollie has been a stalwart on defense and is striking fear into the hearts of opposing pitchers with his power at the plate.

Walton Hall is in a distant, and none to secure second place, with a record of four wins and three losses. They have come back strong after a slow start to win their last three games. Walton's improvement stems from the return of injured pitcher "Chick" Dvoracek who went in to put down two rallies then handed Law Hall its only defeat, a 10 to 9 thriller.

Puryear, with a record of three wins and three losses, holds third place, followed closely by Collegeview "A" and Collegeview "B",

each with records of three wins and four losses. Dorm 16 is in last place with a record of two wins and five losses.

All games are played on the A&M softball field the first four nights of the week. Two games are played each night, starting at 7:15 p.m. and 8:45 p.m. They are free and stands are available for the public.

Educators Here For Workshop

Twenty seven educators from Texas schools have registered for the second summer Curriculum Research Workshop being held this week in the MSC.

Sponsored by the research committee of the Texas Association for the Supervision and Curriculum Development and A & M in co-

operation with the North Texas State College, Sam Houston State Teachers College, Texas State College for Women, Texas Technological College and the University of Texas, the workshop offers one hour of graduate credit to those attending the five-day program.

Dr. Arthur W. Foshay, director of the Bureau of Educational Research, Ohio State University, and chairman of the yearbook committee for the 1957 yearbook Re-

search in Curriculum Improvement, handles the morning general assembly sessions. Afternoon sessions are devoted to group lectures and discussions with consultants.

Dr. G. P. Parker, head Education and Psychology Department at A&M, is in charge of the workshop.

Practicable cabin air compression for planes flying above 80,000 feet has not yet been developed.

Values Good Thursday thru Saturday at 1010 South College at Pease in Bryan

The Battalion

The Editorial Policy of The Battalion Represents the Views of the Student Editors

The Battalion, daily newspaper of the Agricultural and Mechanical College of Texas and the City of College Station, is published by students in the Office of Student Publications as a non-profit educational service. The Director of Student Publications is Ross Strader. The governing body of all student publications of the A&M College of Texas is the Student Publications Board. Faculty members are Karl E. Elmquist, Chairman; Donald D. Burchard, Tom Leland and Bennie Zinn. Student members are Derrell H. Guiles, Paul Holladay, and Wayne Moore. Ex-officio members are Charles Roeder, and Ross Strader, Secretary. The Battalion is published four times a week during the regular school year and once a week during the summer and vacation and examination periods. Days of publication are Tuesday through Friday for the regular school year and on Thursday during the summer terms and during examination and vacation periods. The Battalion is not published on the Wednesday immediately preceding Easter or Thanksgiving. Subscription rates are \$3.00 per semester, \$6.00 per school year, \$8.50 per full year, or \$1.00 per month. Advertising rates furnished on request.

Entered as second-class matter at Post Office at College Station, Texas, under the Act of Congress of March 3, 1879.
