

CHARLES McCANDLESS IN ACTION

Charles McCandless

Mural Director

By DON BISSETT
Battalion Staff Writer
Charlie McCandless, graduated physical education major, has done a wonderful job with this summer's intramural program. Charlie started in intramurals in 1954 under the guidance of Barney Welch, the intramural director here at A&M. This summer, in the absence of Barney Charlie has taken over and handled the entire program.

In addition to the planning the program for the summer Charlie has umpired two of the sports, softball and volleyball, the other two sports, golf and tennis, needed only a guiding hand and an organizer of game schedules. The amount of student participation in the various sports tells the story of its success.

Charlie's own sports carrier included all sports in high school and service football. He is now a strong competitor in handball and badmitten. He won the intramural badmitten title this last year.

Charlie is leaving A&M this year to coach at Silsbee Junior High School. His main sports will be football, basketball, and track. These are the sports he rates at the top of his list of favorites. Charlie eventually hopes to coach at the collegiate level and would like to return to A&M as head coach sometime in the future.

Charlie is married, has two children, both girls, and those of us who have worked with him in the intramural program know he has a lot to offer his future players.

What Price Victory

This is the bill Price Daniel introduced in the 48th Texas Legislature to forbid persons holding elective or appointive office with a term of more than two years from running for another office while holding the first one.

He'd like to forget he ever wrote this bill, since he currently is trying to hold on to his Senate seat and be elected Governor at the same time.

H.B. 393—48TH TEXAS LEGISLATURE (1943): A BILL TO PROVIDE THAT PERSONS WHO HAVE BEEN ELECTED TO AN EXECUTIVE OFFICE FOR MORE THAN TWO YEARS SHALL NOT BE ELIGIBLE TO RUN FOR ANOTHER OFFICE WITHOUT RESIGNING.

I. TEXT OF BILL:

An Act amending Chapter I of Title 50, of the Revised Civil Statutes of the State of Texas by adding Article 2929c; providing that no person who has been elected or appointed to an executive office in the State of Texas for a term of more than two years shall be eligible to run for nomination or election to any other public office the term of which would begin before the expiration of the term of the original office to which such person was elected or appointed, without first resigning from such original office; providing that no election official shall place the name of such ineligible person on the ballot for any election or certify his name as a candidate or nominee; and providing for enforcement of such law by injunction proceedings and other remedies provided in the laws of Texas concerning ineligible candidates; defining the term "executive or administrative" to mean all public offices except the Legislative and Judicial offices of Members of the Legislature and Judges of the Courts of Texas.

Sec. 2. All laws or parts of laws in conflict with this Act or any part thereof are repealed insofar as they conflict with this law or any part thereof.

Sec. 3. The fact that it has been a custom for persons to be elected by the people of Texas to certain administrative offices for a period of more than two years, and in some instances as long as six years, during which time the elected or appointed officials have run for other offices during their "off" years, which without reflection upon any such person, has caused much time of public officials to be lost in campaigning every two years for other offices while holding their original office and receiving a salary therefrom, which practice has caused the people of the State of Texas to lose much valuable time from their elected or appointed officials, which time should be spent upon the jobs for which they have already been elected or appointed, creates an emergency . . . (followed by enactment provisions).

Netters Close Tournament; Medals Awarded to Winners

Action in the city-wide tennis tournament, which started Monday, comes to a close today on the A&M College Concrete Courts with the finals being played in mixed doubles in the three age divisions, 16-18, 13-15, and 12-and-under.

Gold medals were presented to first place winners in each of the various classes this morning with silver medals going to the runners-up in each group in which the finals have already been played. Miss Marybelle Kidd, Bryan High School tennis coach, is tourney director of the four-day affair.

Matches on tap for today include the 12-and-under mixed doubles finals pitting Sue Smith-Mike Kerr against Pam Famin-Bill Scott, semi-finals and finals in the 13-15 mixed doubles, and the title contest in the 16-18 mixed doubles matching Janice Beal-Walter Dahlberg against Jo Ann Nolen-Maurice Olian.

In the 16-18 girls' singles, Janice defeated Betty Mead for the championship, while in the same age group in doubles, Janice paired with Frances Muth to down Jo Anna White-Ann Elliott in the finals. Frank Benavidez decided Maurice for the 16-18 boys' singles crown, and in the 16-18 boys' doubles, Frank teamed with Jerry Mills to defeat Walter and Maurice in the finals.

In 13-15 girls' singles, Susan Dowell took the title by defeating Pam Sperry. In the doubles finals of the same division, Susan and Pam defeated the duo of Jeanette Martin-Linda Restivo. The 13-15 boys' singles finals saw Oren Beal defeat Tommy Carril, and the championship doubles match in that class found Oren teaming with Jack Armistead to down the duo of Bruce Thompson-Bill Jones.

Jane Restivo defeated Zan Colson in the 12-and-under girls' singles finals, while Jane paired with Dana Wortham to defeat Zan and Joy Pohl for the doubles title in their group. In the 12-and-under boys' singles finals, Bill Scott dropped Ronnie Bolen, and for the boys' doubles crown in the same division, Bill and Ronnie joined efforts to defeat the tandem of Mike Kerr-John Sandlin.

thought how badly new streets are needed? But what is being done?

Nothing in College Station or on the campus.

Isn't it about time someone got the ball rolling?
