## THE PARABLE

herefore speak I to them in parables; because they seeing see not; and hearing they hear not, neither do they understand.  
 (St. Matthew 13:13)

THE PARABLE is the basis of all religious education. From infancy through adult life we learn spiritual truths only as they are interpreted for us in terms of every-day experience.

OUR CHURCHES follow the example of the Greatest Teacher. Simple precepts or more complex doctrines are brought to us in vivid illustration. Lessons, sermons, hymns — even church architecture and ritual — are full of human narrative, word pictures or traditional symbolism to help us grasp and apply God's truth.

SPIRITUAL MATURITY must come to us through the effective teaching and practical guidance our churches provide. Our souls cannot grow simply by seeing a church on the corner, or hearing folks talk about religion. Worshipping and learning every Sunday, we will understand Christian truth in living terms and use our understanding to serve God and man.

## THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
