Wildcats Enroute Here Confident for Victory

Special to The Battalion

Villanova University, represented by a party of 50, entrained last night to embark on its 63rd season of intercollegiate football, when the Wildcats meet A&M Saturday at 2 p. m.

The official party, composed of 36 squad members, coaches and officials of the University boards the train at 8 p.m.

Coach Frank Reagan will put his squad through a light signal drill

in St. Louis where they are scheduled to arrive Thursday afternoon. Transferring to the route of the Texas Eagles the Main Liners will complete their long journey early Friday morning.

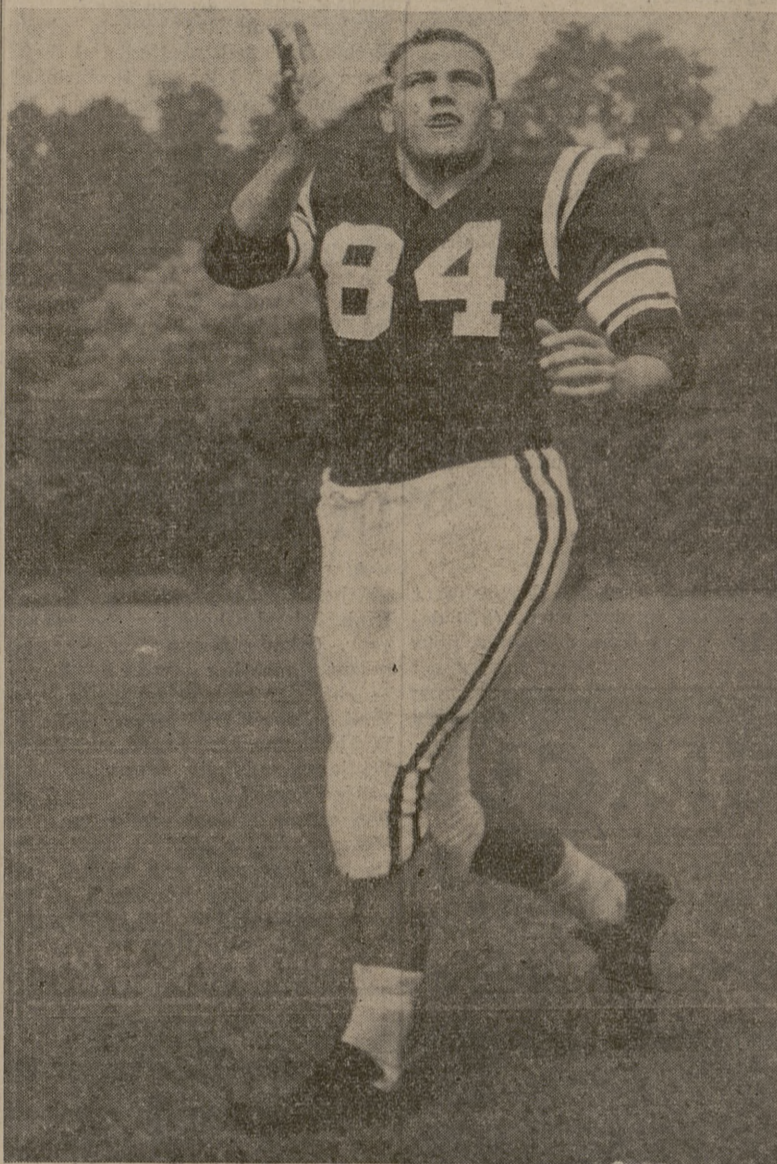

This is one of the most confident band of Wildcats to leave the Villanova campus in recent years. Encouraged by their performance in a recent scrimmage with Navy the squad feels that they have arrived and will cause plenty of

trouble to enemy elevens during the coming season.

To show that the pressure is off, the varsity put on a surprise three act variety show for the benefit of incoming freshman footballers, coaches and members of the athletic department Monday night. Master of Ceremonies was quarterback John Ferruolo. End Gene O'Pella and tackle Bill Craig stole the show with their rendition of "Tonight You Belong to Me."

Although the scrimmage with Navy lasted for 80 minutes, the score at the end of regulation 60 minutes was 19-13. While reviewing the action Reagan and his staff realized that the Middies had not scored on the Wildcat regulars, which was quite a feat since four starters did not even see action.

Due to minor injuries and bruises, halfback John Bauer, fullback Rollie West and both front line tackles Don Luzzi and Ron Cherubini were confined to the sidelines. But all are expected to be in the starting lineup at kick-off time.

TREMEDOUS GENE O'PELLA—Villanova's huge (6-5, 230) sophomore end will hold down one terminal for the Wildcats on Kyle Field Saturday.

AUSTIN — The University of Texas put the final strokes to its defense and offense yesterday and planned to taper off practice the rest of the week.

The Longhorns reviewed their passing offense and defense, goal line defense, kicking, and worked against punt returns. It was the final day of contact work in preparation for the game Saturday night against Southern California.

The ticket office said today about 45,000 persons were expected for the opener.

WACO — Coach Sam Boyd ran his Baylor Bears through a light but snappy workout Wednesday with special emphasis on goal line plays, both on offense and defense.

Boyd named a 42-man traveling squad for the Bears' Saturday game with California. He said he would not release a starting lineup until Friday.

Laboratory assistants are needed for the fall semester in the Physics Department. Men who have completed sophomore physics courses with superior records are wanted to assist with instruction, grading and the handling of apparatus in the laboratories. The scale of compensation is \$30 per hour for new assistants and \$100 per hour for experienced assistants. The opportunity for experience, as well as earnings, should be considered.

Applicants for assistantships are invited to bring tentative schedules to the office of the department as soon as possible. Head, Physics Department J. G. Potter 157t5
