## Ags Open With Villanova Tomorrow

WELCOME TO KYLE FIELD—HOME OF THE FIGHTING TEXAS AGGIES—Kickoff time for tomorrow's game between the Aggies and the Villanova Wildcats will be 2 p.m. Some 20,000 people will be on hand to view the inter-sectional contest. The smallest opening crowd in recent

years is expected to be present. The above picture was taken last Turkey Day, when a crowd of 42,000 filled Kyle Field to capacity. The picture was taken from the pressbox looking north toward the Academic Building—Photo by the Aggeland Studio.

## Ponderous Wildcats Meet Question-Mark Cadets at 2

By BARRY HART  
Battalion Sports Editor

Question marks are the order of the day tomorrow when A&M opens its third grid season under Coach Paul (Bear) Bryant against the invading Villanova Wildcats at 2 p.m. on Kyle Field.

Aggie fans all over the nation are asking can Bryant's Cadets, the nation's surprise team in 1955, take up where they left off before last year's Texas game and show the same aggressive, powerful game they displayed in '55. The followers of Eastern football are wondering if this may be the year the Wildcat, ex-giants in collegiate ranks, come back into their own and regain the title "The Notre Dame of Eastern Football."

Villanova moved into Bryan this morning with 36 players and took a short workout on Kyle Field in the afternoon. The Wildcats will out-weigh the light Aggie eleven 20 pounds per man, showing a 215-pound average in their forward wall.

Although the Philadelphians won only one of 10 tilts in 1955, their freshmen team was the finest in school history. Twenty-four lettermen return making this year's outlook the brightest for Wildcat fans in many a year.

A&M counters the heavy Eastern team with a lineup shaken by recent injuries and quarterbacking of still uncertain ability. Two Aggie guards, second-liner Tommy Howard and third-string Barney Smith, will definitely miss Saturday's action while regular left tackle, 218-pound Charlie Krueger, is a doubtful starter.

If Krueger is able to play, and Bryant holds that he will not play the Caldwell junior unless he is completely healed, squadman Bob Lockett will move into the right tackle position vacated by letterman Jack Powell. Powell lost the battle of the books this summer and is now in the army.

Lockett or Bob Clendennon, senior letterman from Waco, will man the left tackle spot if Krueger isn't available with either Lockett or Sophomore Kenneth Beck on the right side according to whether the Aggies are receiving or kicking off.

"I am going to try to play two teams, or as nearly to two as possible," said Coach Bryant, "but (See FOOTBALL, Page 2)

## New Staffers Slated For Physics Dept.

Dr. J. G. Potter, head of the Physics Department at A&M, announced the appointment of five new members to his department recently.

Dr. Joe S. Ham, graduate of the University of Chicago, has been named as an assistant professor. He came to A&M from three years at E. I. DuPont de Nemours, in Delaware.

N. R. Rao, who received his masters degree from the University of Bombay, was named an instructor. Joseph Keren, a graduate of the University of Melbourne, Australia, was named an instructor.

John P. Decker, a graduate of Arkansas A&M, was named an instructor. He received his masters degree from the University of Arkansas.

R. S. Musa, already a member of the faculty of A&M, was transferred from the mathematics department to physics. Musa received his bachelors and masters degree from A&M after attending London University and the American University at Beirut.

## Rodeo Results For Thursday Performance

Listed below are the times and results in the events after the first performance of the All-Aggie Rodeo. Final results will be announced at the final show Saturday night. The totals for each of the three nights will be compiled to decide the winner in each division. Results of Thursday nights performance are:

**Bareback Riding**  
(no results until Saturday night)

**Tie-Down Calf Roping**  
Jack Mitchell-15.5 seconds; Bob Drummond-18.7 sec.; Ray Kirehner-19.6 sec.; Roger Lacy and Charlie Hale-tie at 20.2 sec.; Everett Farthing-31.2 sec.; Virgil Patrick-32.1 sec.; Hampton Keathley-36 sec. John Kincaid-no time.

**Greased Pig Race**  
Ernest Hightower.

**Steer Wrestling**  
Wayne Ward - 4.9 sec.; Lowie Rice-6.8 sec.; Charlie McDonald-9.1 sec.; John Kiker-30.5 sec.; Rodney Butler-34.8 sec.; Bobby Wakefield-50.4 sec.; Eddie Farris-no time.

**Ribbon Roping**  
Jack Mitchell-13.0 sec.; Everett Farthing-14.2 sec.; Virgil Patrick-15.5 sec.; Roger Lacy-21.0 sec.; (See RODEO, Page 2)

## Electricity Stops Due To Overload

Electrical power failure in the College View area the past few days is due to an overload on the lines, says A&M electrician Frank Brown Jr.

Brown says the stoppage of power will be remedied when a few adjustments are done.

Residents in the area had complained that power had been off for about 30-minute periods several times.

## Activities Begin Full Swing With Dance, Football, Rodeo

By DAVE McREYNOLDS  
Battalion Managing Editor

Fall semester activities begin in full swing this weekend as the Texas Aggies play host to the Villanova Wildcats on Kyle Field tomorrow afternoon.

Included in the weekend activities are the All-Aggie Rodeo and an All-College Dance Saturday night at The Grove.

No Rue Pinalle is scheduled until the TCU game weekend Oct. 19.

Due to the recent hot weather the Aggies will open the 1956 football season with the smallest opening game crowd in recent years according to reports from the Athletic Office. Some 18 to 20,000 people are expected to be present at the game tomorrow at 2 p.m.

Despite the scheduled warm weather the Corps of Cadets will march into Kyle Field for the game.

Uniform for the Corps will be Class A summer khaki with over-

seas caps. Sabers will be carried and white gloves, white belts will be worn. Seniors will wear boots.

First call will be at 12:20 p.m. and first units will move out at 12:35.

Order of March for the march-in will be Band, Corps Staff 1st Regt., 2nd Regt., 1st Wing and 2nd Wing.

Colors and guidons will be carried and will be checked in after

the march-in at the rifle range beneath the east stands.

**All-Aggie Rodeo**  
Always a big attraction the All-Aggie Rodeo raised the curtain on the first big weekend with their first performance at the Aggie Rodeo Arena last night. Two more performances are scheduled for the three-day contest with the finals being held Saturday night at 8.

Some 45 contestants, all students at A&M, are entered in the events which include bull-riding, bare-bronc riding, bull-dogging and tie-down and ribbon calf roping to mention a few of the events. Tickets to the rodeo are on sale at Loupots, Cooley's Conoco Station, 12th Man Inn, the Aggeland Grill, Shaffers' Book Store at North Gate and in Bryan at Grubbs' Feed Store, Vincent's Service Station and the Guarantee Store. Admission price is \$1 for adults and 60 cents (at the gate) for students. Pre-sale price for students 50 cents.

**All-College Dance**  
An All-College Dance will be held at The Grove Saturday night scheduled to begin at 9 p.m. and close at 12 p.m. Sponsored by the Office of Student Activities with music being provided by the Aggeland Orchestra, a "cool" moonlit night has been ordered for the occasion.

Tickets for the dance are on sale at the Office of Student Activities on the second floor of the YMCA. Priced at \$1.50 with or without a date, tickets will be on sale until noon Saturday at the Activities Office and will be on sale at the entrance to The Grove.

## Shipping Powers Accept Dulles' Plan

LONDON—(AP)—Secretary of State Dulles won the support of most of the world's main shipping powers yesterday for his six-point program of united action to challenge sole Egyptian control of the Suez Canal.

Despite reservations of Pakistan, Sweden, Spain, Iran and Denmark, a big majority of the nations attending the 18-power Suez conference accepted the main provisions of Dulles' approach toward a settlement with Egypt. An informed source said that, with this backing achieved, the talks will end tomorrow.

At the hub of Dulles' program—pegged to a concept of justice with peace—is the formation of a working organization to be officially called "the Cooperative Assn. of Suez Canal Users."

The backers include the maritime Big Five who control 75 per cent of the world's shipping. These are Britain, Norway, France, Italy and the United States.

The association will bind together those nations ready peacefully to resist Egyptian President Nasser's domination of the canal by coordinating their maritime, economic and political policies toward Egypt.

A movement to seek early United Nations intervention in the danger-packed dispute also gathered momentum.

## CS Seniors Stage Dance After Game

The Senior class of A&M Consolidated High School will sponsor an after-game dance following the football game with Rockdale tonight, according to J. J. Skrivanek, principal.

The dance will be in the high school activity room. Tickets will be 25 cents a person or couple, Skrivanek said.

## Casaday Injured

Benton Casaday, pre-veterinary major from Llano, was suffering from bruises but appears to have "no serious injury" after being thrown from a bull at the All-Aggie Rodeo last night. He is still in the College Hospital, but is reported to be "resting well."

## More Uniforms Arriving Today

A truck load of military clothing arriving today from Fort Hood should take care of the uniform shortage, said Col. Delmer P. Anderson, professor of military science and tactics.

For the past several days, Aggies have been finding they could not be issued khaki shirts and trousers, fatigues, shoes, raincoats and field jackets.

Col. Anderson said the truck coming today will mainly consist of khaki clothing, fatigues and raincoats. He said there was a possibility there still would be a shortage in odd sizes of fatigues.

## Enrollment Higher Than Last Year

Registrar H. L. Heaton says 7,113 persons are enrolled for the fall term here. For the 1955 semester 6,736 were enrolled.

Heaton says 2,007 are freshmen. At this time last year 1,849 freshmen had been registered.

The figure represents more than five and a half per cent increase. At the beginning of the semester 1,791 freshmen chose to take military science.

Choosing civilian status were 216 freshmen students.

## Weather Today

Forecast for today is clear. Temperature at 10:30 a.m. today was 81 degrees. High and low for yesterday were 99 and 72 degrees.

## Bryan AFB, Kiwanis Sponsored

## Annual Kid's Day Planned

College Station and Bryan Kiwanis Clubs cooperating with Bryan AFB will stage the annual Kid's Day Saturday. It is sponsored by the Air Force and the Kiwanis International.

The celebration is planned to make tomorrow's adults more informed and show them some fun at the same time. The affair is presented on a nation-wide scale with all Air Force bases and Kiwanis Clubs participating.

"Any children of school age are invited to meet at their schools ready to leave on buses at 7:30 a. m." R. O. Berry College Station Kiwanis Club member in charge of arrangements said. "In College Station, buses will leave from A&M Consolidated High School and Lincoln School."

Refreshments will be served and the buses will leave for home at 11:30 a. m., Berry said.

"We have planned a day that we think the kids will remember for a long time," said Col. James A. Gunn, commanding officer of Bryan AFB. "All our facilities will be at their disposal."

Col. Gunn said that Air Cadets would guide groups of the children on separate tours, showing them aircraft, training devices, base installations and other parts of the base.

"In addition to the tours and the

refreshments, we will have an exhibition by one of the world's foremost archers," Col. Gunn said.

"Howard Hill, who has starred in motion pictures and shows throughout the world, will be at Bryan AFB Saturday, and has consented to present a demonstration with the bow and arrow."

The trip will be well chaperoned, according to Dr. Charles LaMotte, president of the College Station Kiwanis Club, with several members of both clubs going on the trip as well as the air force personnel.

## Six A&M Students Win Scholarships

Six A&M students have been awarded \$1,500 in cash scholarships by the Vita Craft Corporation for direct selling work during the summer.

Winners were Don Anderson, \$300; David Morris, \$300; Joe Netardus, \$250; Thayne Short, \$300; James Syler, \$150; and James Witcher, \$200.

Vita Craft Corporation's president, Glen F. Slough, financed his education by direct selling work. To offer opportunities to young people who ordinarily would be unable to meet the expenses of a college education, Slough initiated Vita Craft's college program in 1947.

KID DAY PLANS SET—Discussing plans for the annual Kids Day, sponsored jointly by Kiwanis International and the United States Air Force, are presidents of the Bryan and the College Station Kiwanis Clubs and the commanding officer of Bryan AFB. Left to right are Dr. Charles LaMotte, College Station president; Col. James A. Gunn, BAFB; and Jerry Massey, Bryan president.
