**THEY WON'T BE LATE!**  
Maybe they were slow in dressing... probably they dawdled a bit over breakfast... but if you know the gait of those little legs you can be sure they won't be late.  
This is one of the fascinating paradoxes of youth. A child may have to be prodded to get to school on time—yet he doesn't want to be late!  
And the paradox has implication for parents as they plan the religious education of their children. Jimmy may seem reluctant about his first trip to Church School... and Susan may shed a tear when Mother "leaves" her in the Beginners' Department. But wise parents never delay their youngsters' religious training. It is unfair to handicap a child with a late start in the vital process of moral and spiritual growth.  
Inquire at the church of your choice, and bring your child to Church School as soon as he is of age.  
And, remember, parents need religious training too! If you do not now attend Church regularly, start with Jimmy and Susan.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
