Somebody's Neighbor
某 某 人 之 鄰 里

He probably doesn't look much like the man next door. He does his arithmetic with the aid of a centuries-old gadget called the abacus, and he writes the results in characters that would be quite undecipherable to you... yet you probably have far more in common with him than you'd ever dream.

Like you, he wants peace. Like you, he wants a good future for his children, and he wants them to have more than he has had. Like you, he has experienced happiness and sorrow, love and disillusionment. Like you, he prays.

On World Wide Communion Sunday, he will be going to Church and, though this may seem a bit odd to you, he will be praying for you. Yes... for you, and for everyone else in the world, friend or enemy.

Why not join him? Why not, on World Wide Communion Sunday, go to your own church and include him... him and everyone else... in your prayers.

Pray for peace, too. Remember, the power of prayer is a wonderful thing... especially when it is given many voices.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Luke	22	14-26
Monday	John	13	1-17
Tuesday	1 Corinthians	11	17-24
Wednesday	1 Corinthians	12	12-31
Thursday	1 Corinthians	13	1-13
Friday	1 Timothy	4	1-18
Saturday	1 John	3	13-24

ROD & GUN CORNER
HOW TO FIGURE THE CAPACITY OF YOUR BOAT —
Multiply length (in feet) times maximum width times maximum depth times 0.6 divided by 12, multiplied by 150. EXAM- PLE: For a boat 12' long 3 1/2' wide, and 1 1/2' deep —
12 x 3.5 x 1.5 x 0.6 x 150 = 473
THIS BOAT HAS A SAFE CAPACITY OF 473 POUNDS — (Remember, all measurements must be in feet.)
