## Berra Hits Pair; Howard, Skowron Homer for Total

By THE ASSOCIATED PRESS

BROOKLYN, Oct. 10.—The New York Yankees overwhelmed the Dodgers and Don Newcombe with a record-breaking home run assault today and won the World Series, four games to three, with a 9-0 victory.

Yogi Berra hit two homers and Bill Skowron smashed a grand slam homer to back up superb three-hit pitching by 23-year-old Johnny Kucks.

The Yankees thus duplicated Brooklyn's 1955 feat of winning a seven-game series after losing the first two games. It was the Yanks' 17th World Series victory in 22 attempts since 1923 and their sixth in seven series against Brooklyn. The Dodgers took the first two games in Ebbets Field.

The Yanks won the next three in their stadium and then Brooklyn squared the series yesterday in their home park. Today's game was the first breakthrough by the visiting team.

Berra, who clubbed a bases-loaded homer off Newcombe in the second game, hit over the right field wall the first two times he came to bat against Newk today, each time with a man on base.

The seven-game series drew a paid attendance of 345,903 with 33,782 fans watching the final game. The net receipts for the series were \$2,185,353.59.

The four Yankee homers set a series record of 12 by one club in a series, breaking the mark of ten set by the 1952 Yanks, and Berra, with 10 runs batted in during the series, smashed another record.

The Bronx Bombers got things rolling early as Hank Bowers lined a lead-off single into left. Bauer stole second on Newcomb's first pitch to Martin. Big Newk fanned Martin and Mantle to the pleasure of the partisan Ebbets Field crowd, but Berra's drive over the right field screen ended the rejoicing.

Berra did it again in the top of the third. With one out Martin ramed a single into center and Newcombe struck out Mantle for the second time. Yogi hit another into the same place to make the score 4-0, and Dodger fans began to lose hope.

Elston Howard drove Newcombe to the showers to open up the fifth with his second home run in World Series play over the score board in right. Don Bessant came in as relief and lasted through the sixth, giving up no runs and two hits.

Roger Craig went to the mound for the Bums in the seventh and Martin greeted him with a single to left. Mantle walked and both runners advanced on a wild pitch. Berra was intentionally passed but the Brooklyn strategy backfired when Skowron drove the first pitch into the lower left field stands for a grand slam homer to make it 9-0. After Howard doubled, Craig was removed and Ed Roebuck came in to pitch for the Dodgers.

## Kiwanians Hear Report From CS Men

Dr. Les Richardson, superintendent of A&M Consolidated Schools and Dr. John Rogers, president of the school board, presented a report on school conditions in College Station at the weekly luncheon of the College Station Kiwanis Club in the Memorial Student Center yesterday.

"The Consolidated School enrollment has risen 24 per cent since school year 1952-53," Dr. Richardson said. "This is somewhat under the national average due to fewer transfer students this year."

Dr. Richardson said that grades 1-4 in Consolidated increased eight per cent from 459 in 1952-53 to 492 this year; grades 5-8, 66 per cent increase from 249 to 413; and grades 9-12, 57 per cent increase from 153 to 240. Lincoln school enrollment stayed virtually the same as four years ago, with 345 students.

"This shows an over all increase from 1,206 people to 1487," he said.

Dr. Rogers listed, as major changes in the system due soon, the elimination of county superintendent position, state assistance in paying a driver training teacher and five-subject curricula for all students who wish them.

"All of these programs will be reviewed when the Texas legislature next meets," Dr. Rogers said.

K. A. Manning was re-appointed by the club board of directors to serve as secretary next year and Charles Richardson was re-appointed treasurer. Charles LaMotte, outgoing club president, Woody Bries, president-elect and Luther Jones were chosen to represent the club at the district convention in Corpus Christi soon.

Ed Packingham, of College Station was a guest at the meeting.
