# Ags Ranked Seventh; Battle Baylor Saturday

By BARRY HART  
 Battalion Sports Editor

A&M bounced back into the nation's top 10 this week after Saturday's 7-6 victory over previously unbeaten TCU.

The Aggies, who jumped to seventh, knocked the Horned Frogs from fourth to a tie for tenth with Mississippi while idle Baylor moved up two notches to eighth, once again placing three Southwest Con-

ference teams in the nation's elite. Coach Paul (Bear) Bryant's hungry Cadets storm into Waco Saturday night to test Baylor's undefeated Bears in a contest that will draw a record crowd in Waco. At least 40,000 are already guaranteed for the 8 p.m. encounter at Baylor Stadium with a possibility of 45,000. The stadium holds 50,000 and the previous high is 37,000.

"I can assure you that we'll be ready Saturday," Bear Coach Sam Boyd told the Waco Quarterbacks.

You can bet this wasn't idle chatter, for the Golden Bears have waited since 1924 for a SWC championship and this is the year they could get it. Not since 1951, when they went to the Orange Bowl, has there been so much size, strength and experience in Waco.

The loss of Quarterback Doyle

Traylor, the league's hard luck player of the century, who broke his leg for the second time in his collegiate career last week, will probably not hamper the Bears' fine passing game. Hearne's Bobby Jones, starting man-under in 1955, ably fills Traylor's vacant post.

"Baylor has more football players than TCU," said Aggie Assistant Coach Pat James after watching the Bears this year. "When a team has a right guard lineup of Bill Glass, Clyde Letbetter and Charles Horton, you can get an idea from that how many good boys they have."

Baylor has downed California, Texas Tech, Maryland and Arkansas so far in 1956, giving up only 13 points while scoring 62 themselves.

"Any team that holds Maryland scoreless," stated James, "has a fine defensive club."

Jack Pardee, A&M's all-conference fullback contender, will be a doubtful starter this Saturday. Pardee reinjured a shoulder in the rugged Frog game and hasn't suited up yet this week.

THE AGGIES' CHARLIE KRUEGER—who played the finest game of his collegiate career Saturday in A&M's 7-6 victory over the SWC champion TCU Frogs.

## Garcia Leads A Composite Over Sqd. 10 in 'Murals

Manuel Garcia scored two touchdowns and set up another to lead A Composite to a 21 to 0 win in the freshman football scene. Garcia from his end position caught two passes for touchdowns and another 40 yard pass to set up the only other score of the Composite group. Sqdn. 10 was the victim of this personal onslaught.

two of the scoring thrusts. Plentl passed to L. A. Wright for another TD, then to Smith for another. G. C. Anderson then connected with Smith for the third score.

Sqdn. 8 blanked A QMC by a score of 27-0 with W. W. Plentl and Ernie Smith each figuring on

A single point separated Sqdn. 9 and A Cml in a 7-6 battle with Sqdn. 9 the winner in this one. Dave Watson scored on the biggest play of this game as he intercepted a Sqdn. 9 pitchout and went 35 yards for the Chemical TD.

## Michigan State Top in Nation After Irish Win

Oklahoma's Sooners, on the wave of a record 34-game winning streak, had a new incentive for their game Saturday with Notre Dame—they want to win back their position as the country's No. 1 college football team.

Apparently only a decisive victory over the battered Fighting Irish, beaten in four of their five starts, can do it.

1. Michigan State 96 4-0 1,459
2. Oklahoma 44 4-0 1,356
3. Georgia Tech 9 4-0 1,182
4. Tennessee 4 4-0 861
5. Michigan 3-1 717
6. Southern Calif. 2 4-0 646
7. Texas A&M 1 4-0-1 461
8. Baylor 4-0 293
9. Ohio State 3-1 210
10. (tie) Mississippi 4-1 183 and Texas Christian 3-1 183

**LOCKHEED**  
 Aircraft Corporation

California Division • Georgia Division

Lockheed Representatives of the California Division and the Georgia Division will be on campus  
**Mon. & Tues., October 29 & 30**  
 You are invited to consult your placement officer for an appointment.  
*Separate interviews will be given for each division.*

*Both divisions of Lockheed are engaged in a long-range expansion program in their fields of endeavor.*

California Division activities in Burbank cover virtually every phase of commercial and military aircraft. Seventeen different models of planes are in production, including cargo and passenger transports, high Mach performance fighters, jet trainers, radar search planes, patrol bombers.

B. S. graduates who wish to attain a Master's Degree will be interested in the California Division's Masters-Degree Work-Study Program. In the program, participants achieve their M.S. while working concurrently on Lockheed's engineering staff.

At Lockheed in Marietta, Georgia, new C-130A turbo-prop transports and B-47 jet bombers are being manufactured in the country's largest aircraft plant under one roof. The division is already one of the South's largest industries. Moreover, a new engineering center is now in development as part of the division's expansion program.

In addition, advanced research and development are underway on nuclear energy and its relationship to aircraft. A number of other highly significant classified projects augment the extensive production program.

*This broad expansion program is creating new positions in each division. Graduates in fields of: Aeronautical Engineering, Electrical Engineering, Mechanical Engineering, Mathematics and Physics are invited to investigate their role in Lockheed's expansion.*
