Jet, Private Plane Crash Kills Seven

MIDLAND, (AP)—A jet plane and a civilian aircraft collided over Midland yesterday, exploding flaming wreckage into a residential district and killing seven persons, including a baby girl.

Those in the private plane were: Mr. and Mrs. W. R. Clement of Bowie, Texas, and their 13-month-old daughter, Cathy; and Mrs. Clement's parents, Mr. and Mrs. Roy Howard of Vashti.

Also killed were Capt. Roy A. Roberts, 29, Bellville, Ill., and 1st Lt. Lowell B. Hale, 25, Decatur, Ill. The jet plane airmen were stationed at Webb Air Force Base, Big Spring.

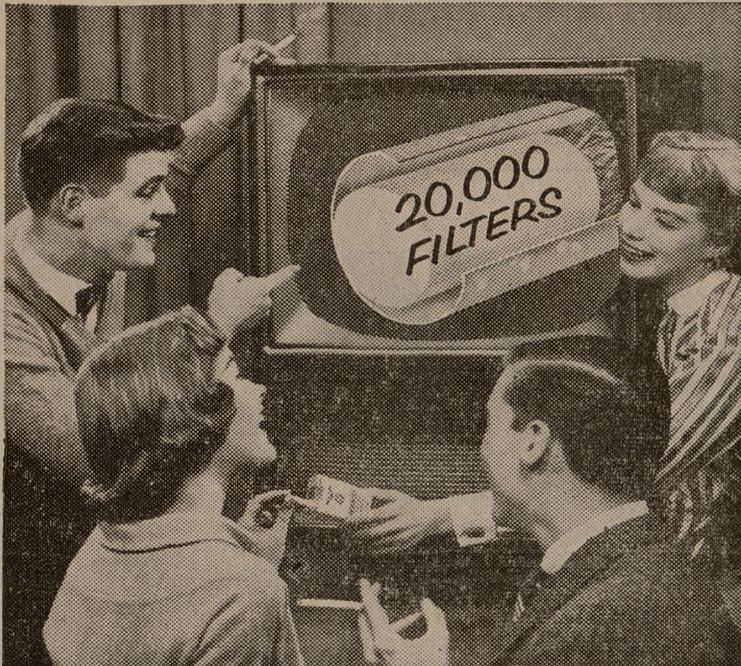

The jet wreckage plunged into the house of Mr. and Mrs. R. A. Saunders and both the home and plane went up in flames. The Saunders were not at home at the time.

The engine of the prop-driven plane crashed into the kitchen of Mrs. Billie Crowe. She and her children, Janice, 1, and Debora, 3, were in the living room at the time and were unhurt.

The body of one man crashed through the roof of a home and landed in a bath tub. The child's body was found in a flower bed and the bodies of the others were strewn about Permian Estates.

Community Chest Supports Red Cross

(Ed. Note: This is the first in a series of articles on the agencies requesting your help in the 1956 A&M College-College Station Community Chest-Red Cross Drive.)

The Brazos County Chapter of the American Red Cross will receive \$2,000 out of the \$14,000 goal of the 1956 A&M College-College Station Community Chest-Red Cross Drive.

"After last year's tornado, we are all conscious of disaster preparation," said Mrs. Ada Locke, executive secretary of the chapter. "Each year we put aside \$50 to be used in case of an emergency. If we use more than that we are reimbursed by the National organization."

Following the tornado in Bryan last Easter, the local Red Cross spent around \$250 on telegrams, telephone calls and rent for one family who was homeless. More was available, officials said.

Other principal services here are loans and grants given to needy persons, home service, the blood program, nursing service and first aid and water safety.

Loans are made in most needy cases. These can be paid off over a long period of time with no interest. Grants, however, are not expected to be repaid and are only given in extreme cases.

Red Cross home service has long been famous for its service to servicemen away from home and their families. This branch of the organization provides transportation in emergencies, gives information on request about absent family members and gives counseling in domestic troubles.

Through the first aid and water safety program, millions of Americans every year receive training in swimming, lifesaving and first aid.

Arabs Retaliation Leaves 60 Dead

RABAT, Morocco, (AP)—Sixty dead were counted in Morocco yesterday, victims of grim Arab retaliation for the arrest by the French of five leading Algerian rebels. Many were mutilated.

Angry anti-French demonstrations and protest strikes spread across seething North Africa as Arab governments demanded release of the Algerians. In Tripoli, Libya, demonstrators stoned the British Embassy and European cars.

Among the 60 dead, mostly Europeans, were seven French soldiers. They were killed and 24 comrades were wounded in two ambushes in eastern Morocco Tuesday night. This was the most serious French

military loss reported on Moroccan territory since Morocco cast off its status as a protectorate.

Rampaging Moroccans struck hard in Meknes and the surrounding countryside Tuesday and Tuesday night, starting less than 24 hours after the five Algerian rebels were seized by a French coup on a plane flight from Morocco to Tunisia.

The actual cause of the uprising in Meknes appeared to be an accidental shot fired by a Moroccan trooper who wounded himself.

The shot enraged demonstrators in the city of 150,000 and the bloodshed was on. Outside Meknes, French sources said 38 farms, mostly European, were burned.
