LET'S GO TO CHURCH TOGETHER

The good thing about this is that Dan and Betty and those other youngsters too are here, in Church, because they want to be!

No one made them come. No one told them that they had to. No one threatened punishment if they didn't.

Though outside it is a bright sunny day and the woods and fields and streams beckon, they are here, in God's house, at prayer.

They'd like the country and the world to know that despite all this alarming "juvenile delinquency" there are good teen-agers too.

There are teen-agers who have been instructed in the Christian way of life, and who have discovered what the Church can mean to them.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
