Cadets Take Favorites Role After 19-13 Victory in Waco

A&M climbed into fifth position among the nation's gridiron giants after their come-from-behind victory Saturday over the vicious Baylor Bears, 19-13.

In one of the most fierce Southwest Conference struggles in recent years, the Aggies of Paul Bryant fought their way for 63 yards and the winning touchdown with 9:20 remaining in the game to take the league's top spot and assume a heavy favorite's role for the title.

Paced by terrible John Crow, who has come into his own as an all-American candidate, the Cadets countered the Bloody Bears blow for blow to knock the Baptists out of the undefeated and the nation's top 10.

After trading fumbles in the first quarter, when the Aggies drove to the Baylor 13, 20 and 21, Roddy Osborne intercepted a Bobby Jones pass on the Bear 43 and returned it to the 21. Crow picked up six at left guard, Osborne got three up the middle and then two more for the first down on the

10. Loyd Taylor swept right end for two and Pardee racked up three hard ones over the middle. Crow took a pitchout, ran to his right and hit John Tracey in the end zone for the touchdown with 9:24 in the half. Taylor's try for point was partially blocked.

After an exchange of punts, the Bears took possession on their own 33 and promptly scored. Del Shofner swept around right end for 22 yards to the Aggie 45. Bobby Peters lost three, but Jones passed to Shofner for 17 yards and a first on the A&M 31.

Peters and Kenneth Helms moved the ball to the 26 where Larry Hickman carried four times thru the middle to the five. Helms went to the three and then Hickman scored. Don Watson deflected Arthur Beall's kick and the half ended, 6-6.

On A&M's first series in the second half Lloyd Hale's snap sailed high over Osborne's head on fourth down and Baylor took over on the Aggie 22. The Bears picked up a first down to the 10, but

the stalwart Cadets stopped them short and took over on the five.

Twelve plays later Pardee crashed the middle from four yards out for A&M's longest touchdown drive of the season. Osborne started it with a 17-yard keeper. Crow and Taylor got three each and Pardee bucked the middle for four and the first.

Taylor got three and Crow swept right end for six. Osborne made the first to the 49 and Crow burst through tackle for six. Baylor drew 15 for Dugan Pearce's kick to Crow's head and Pardee got six to the 25. Pardee made the first right up the center and the Aggies moved back 15 for a personal foul.

Osborne dropped a long, high pass into the waiting arms of Watson on the four and a first down. Pardee got the score in one bruising try. Taylor kicked wide and A&M led, 12-6.

Crow stopped one Bruin drive on the Aggie 12 with a pass interception, but Osborne short-kicked to the Cadet 36 as the gun sounded for the third period. An A&M penalty combined with gainers by Jones and Saage moved the ball to the A&M nine. Saage smashed to the six where Peters carried twice, the second time for the touchdown with 13:23 left to play. Beall's kick rode true and the Homecoming crowd let loose.

Bryant's wrecking crew wasted no time letting the customers know who would be the winner. Bobby Marks returned the short kickoff 19 yards to the 37. Crow, back in the game after the blood-letting kick, swept right end for 23 to the Baylor 40. Osborne made five on the keeper and it was Crow again for three. Pardee crushed the weakening Baylor line for six and a first on the 25.

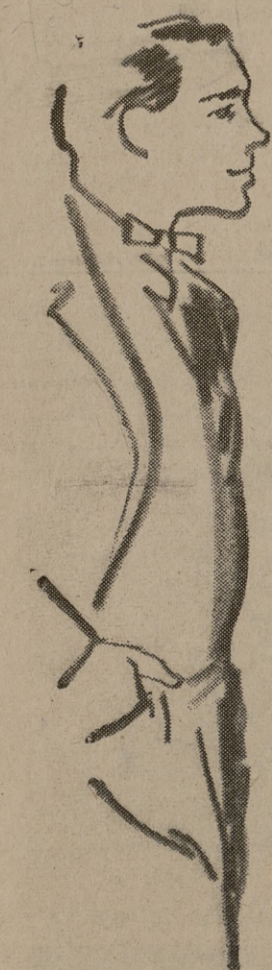

On a beautiful fake, Osborne kept for 22 swift yards to the four, then tried the middle for no gain. Crow hit left tackle twice, getting two both times and six points on the second. This time Taylor's kick was in there and so were the Aggies, to stay.

THE NEW ORIGINAL PLAN WILL BE FOR US TO BE FRIENDLY BUT FIRM-- WE WANT TO HELP THESE PEOPLE.

YOU SAID IT.

THE COMING ELECTION IN THIS COUNTRY IS BEING HELD IN A VERY OLD-FASHIONED WAY--IMAGINE TWO MAJOR CANDIDATES!

YOU SAID IT.

WE DO THINGS MUCH BETTER IN OUR COUNTRY--JUST ONE CANDIDATE--IT SIMPLIFIES THE ELECTION--NOBODY IS IN DOUBT AS TO WHO TO VOTE FOR.

YOU SAID IT?

WHY NOT JUST ABANDON THE MAN--AND DO AWAY WITH THE ELECTION?

SHAME ON YOU!

WHAT? AND CRUDELY ABANDON THE SACRED PRINCIPLES OF TRUE DEMOCRACY?!

YOU SAID IT.

CONVAIR-POMONA, California is located in Southern California within minutes of the mountains, desert and ocean offering excellent recreational opportunities to those fortunate enough to live in this wonderful area. Convair Engineers work in one of the most modern air-conditioned plants in the country. Excellent housing is located within close proximity eliminating unnecessary time traveling to and from work. The many educational opportunities offered by Convair-Pomona include a formal program with U.C.L.A. leading to a M.S. degree plus many in-plant courses taught by top engineers

with whom you are working. The Division is engaged in research, design and production of special weapons systems for the U. S. Navy Bureau of Ordnance. The training program for engineers with no previous experience generally includes an orientation to the department and division, product familiarization, and first work assignment in the test laboratories or design groups working with experienced engineers. It is our desire to use your highest professional skill.
