Moving Together Toward a Common Goal

With the fowl of the air it is instinct! God has provided many of His simplest creatures with an innate sense of harmony, and of purpose.

But with man it is an ideal... still far from realization! Nations and individuals have usually sought their own ends, and little less than attack by a common enemy has ever brought them to united action.

Today, the challenge for harmony and brotherhood is stronger than ever. We know now that the very existence of civilization depends upon a peaceful world.

Our greatest hope is the Church, which throughout the ages, has unceasingly taught the need for moving together toward a common goal. And only the Church has pointed the Way toward that goal.

Join forces with the multitudes in every land who seek the highest goals. Worship with them the only Prince of Peace. And, believing with all Christians in the might of Right, work toward our God-promised destiny.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
