

# Fish Come Late, Lose to Rice 21-19

## NCAA Considers Ban

DALLAS, (AP) — The National Collegiate Athletic Assn. Council will consider its probation order against A&M at its meeting in Detroit Monday and Tuesday, Dr. Edwin B. Mouzon, Southwest Conference president, said Thursday.

The final decision is in the hands of the NCAA council, governing body of the nation-wide collegiate organization, he said.

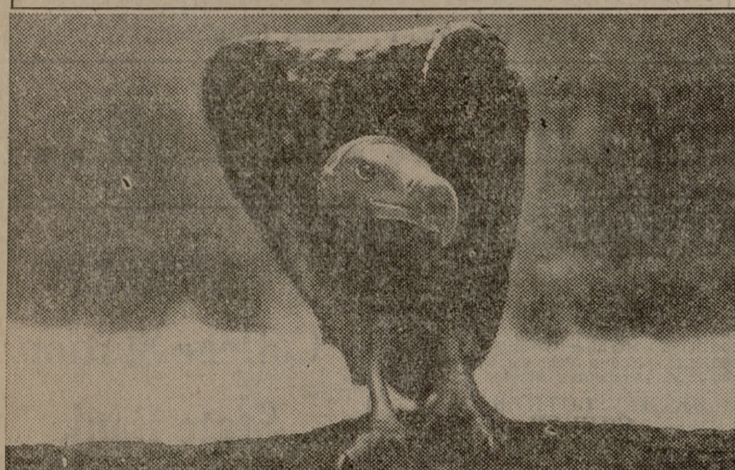

"It is on the agenda for Tuesday, but, of course, I don't know what the recommendation will be," he said, referring to a report pre-

pared by the council's committee on rules infractions.

The Southwest Conference would like to see the NCAA's post-season athletic games ban against A&M lifted, he continued, but there is nothing further the conference can do.

The final decision is in the hands of the NCAA council, governing body of the nation-wide collegiate organization, he said.

### Everybody Picked On J. Paul Sheedy\* Till Wildroot Cream-Oil Gave Him Confidence

"What's this I hear a vulture breaking up with your girl?" asked Sheedy's roommate. "I don't know," wailed J. Paul. "She gave me back my diamond wing and told me to hawk it. What makes her carry-on so?" "Beclaws your hair's a mess," said his roomie. "If feather a guy needed Wildroot Cream-Oil, it's you." So Sheedy went to the store and pecked up a bottle. Now he's flying high with his twentie again, because his hair looks handsome and healthy, the way Nature intended. Neat but *not* greasy. Wildroot contains Lanolin, Nature's finest hair and scalp conditioner. So don't you stick your neck out taking chances with messy hair. Get a bottle or handy tube of Wildroot Cream-Oil the next time you're at the store. The girls'll soon be talon you what a handsome bird you air!

Wildroot Cream-Oil gives you confidence

## Dueitt Kicks Rice to Victory As A&M's LeBoeuf Scores 3

BY JOE DAN BOYD  
Assistant Sports Editor

Charles Milstead was the difference last night as the Rice Slimes nudged A&M's Fish 19-21. The high school All-American missed two extra points as the Houston school took their third victory in four outings.

But the young Cadets outplayed Rice's shallow line-up, at least in the second half. The Fish ground out 262 rushing yards and 16 first downs. The eager Owlets managed 245 yards on the ground and amassed 13 first downs.

Gordon LeBoeuf, fabulous Fish halfback, was the heavy artillery for A&M. The shifty backfielder averaged 6.8 yards per try, carrying 15 times for 102 yards and scored all three touchdowns for A&M's game freshman crew.

The Slimes won the toss and Gordon Speer kicked off. Paul Alexander returned the ball to the Fish 37 where the A&M team quickly ran off four downs climaxed by Milstead's 28-yard punt. Speer was the big gun as Rice racked up four first downs before Quarterback Larry Dueitt kept for the first TD of the game and successfully converted for a 7-0 lead.

Milstead fumbled the first play from the 20 and Charles Anderson recovered for Rice on the 19, but Dueitt didn't have it and the Aggies took over after four downs on their own 13 with Schlemmer at the helm. This time Schlemmer fumbled to Owlet Charles Baldwin on his own 34, setting up the second Slime touchdown drive which took just 11 plays. Speer was the man over payroll and handled the second extra point, thrusting the Owlets ahead 14-0.

MILSTEAD GUIDED the Fish deep into Rice territory midway in the second quarter before Henry Colwell fumbled to Speer on the Owlet 17. And late in the third quarter Milstead began to look the part of a nationally-touted quarterback after Colwell returned Speer's 57-yard punt to the Slime 45. LeBoeuf ripped off eight on the first play and Milstead kept for ten on the second. Colwell got five and Milstead added 6 for a second first down in four plays.

LeBoeuf added three more before the Fish took a five-yard free ride from an offside penalty. Milstead kept for four and Colwell

crashed through for five and another first down just before LeBoeuf powered over for the TD with 1:26 left in the quarter. Milstead added the extra point for a 7-14 score.

IN THE FOURTH period Milstead guided the Fish magnificently now from his own 33 where LeBoeuf started things with a seven-yard gain.

	Fish	Slimes
First Downs	16	13
Net Rushing	262	245
Net Passing	35	21
Passes Attempted	33	9
Passes Completed	3	2
Passes Intercepted	0	1
Punts & Yardage	6	6
Punt Average	41.5	40
Fumbles	4	2
Yards Penalized	80	70
Scoring	19	21

A&M's JIMMY FROST—rips through a gaping hole in the Slime line for yardage in last night's 19-21 loss to Rice. On the ground at the left is Fish Fullback Fob Yeates (32) while Rice's Thomas Stelman (76) and Bill Christian (63) move in on Frost.

## GT-Tenn Top Game

BY JACK HAND  
The Associated Press

Georgia Tech and Tennessee risk their lofty rankings in the South's top college football game Saturday as the schedule turns into the home stretch with conference titles and bowl bids at stake from coast to coast.

In the Midwest, the vital game is a pairing of Minnesota and Iowa at Minneapolis that could produce the visiting team in the Rose Bowl with both Ohio State and Michigan State ineligible.

The Western half of the Rose Bowl probably will be filled by the winner of the Stanford-Oregon State contest. The Southwest Conference title is the likely prize for the winner of the struggle between Texas A&M and Southern Methodist.

tween Texas A&M and Southern Methodist.

All four of the top games involve teams among the higher ranks in the latest Associated Press poll. Georgia Tech (2) - Tennessee (3) could turn into a battle for the lead if Oklahoma (1) stumbles before the end of the season. The Sooners, with 36 straight, are expected to run over Iowa State with no trouble.

STATE OF TEXAS  
COUNTY OF BRAZOS

I, Florence Neelley, being Director of Finance of the City of College Station, solemnly swear that the foregoing statement of condition is true to the best of my knowledge and belief.

s/ Florence Neelley

Subscribed and sworn to before me this 29th day of October, 1956.

s/ Angela Scarmardo  
Notary Public, Brazos County, Texas

Where's the right career for the young engineer?

Take a long look at the big projects awarded Convair — proof of engineering challenge, opportunity and security.

Convair, has the greatest diversity of aircraft and missile projects in the country — to offer you the unlimited career opportunity you seek.

Current long-range projects at Convair, San Diego, include high-performance fighters, new commercial jet airliners, the Atlas intercontinental ballistic missile, a completely integrated electronic development program — plus a study of nuclear aircraft.

The Convair engineering department is a real "engineer's" engineering department — imaginative, energetic, explorative. You will discover top-notch engineering facilities, excellent working atmosphere, salary, personal job advantages, opportunities for continuing education.

Graduate and undergraduate students majoring in

**AERONAUTICAL, ELECTRICAL, MECHANICAL, NUCLEAR, CIVIL, CHEMICAL ENGINEERING**

plus

**MATHEMATICS, PHYSICS, METALLURGY**

our Convair representatives will be conducting
