Redden Bows 280 to Break MSC Record

John E. Redden, senior Veterinary student from Com-fort, broke the old MSC bowling alley record of 278 with a new high of 280 last night.

The old record was held by Don Luce of Bryan Air Force Base.

Redden made his high score by a series of a strike, a spare and 10 straight strikes to total the 280 pins. His lifetime average is 179.

For the past three years Redden has been an active member of the MSC Bowling Committee and is presently chairman of the organization. He came to A&M from Texas Tech where he was a member of Phi Eta Sigma as a freshman.

Aggies Drop to 5th in AP

The Associated Press

Oklahoma's slick Sooners have moved within sight of their second straight national football championship after receiving another vote of confidence from writers and broadcasters.

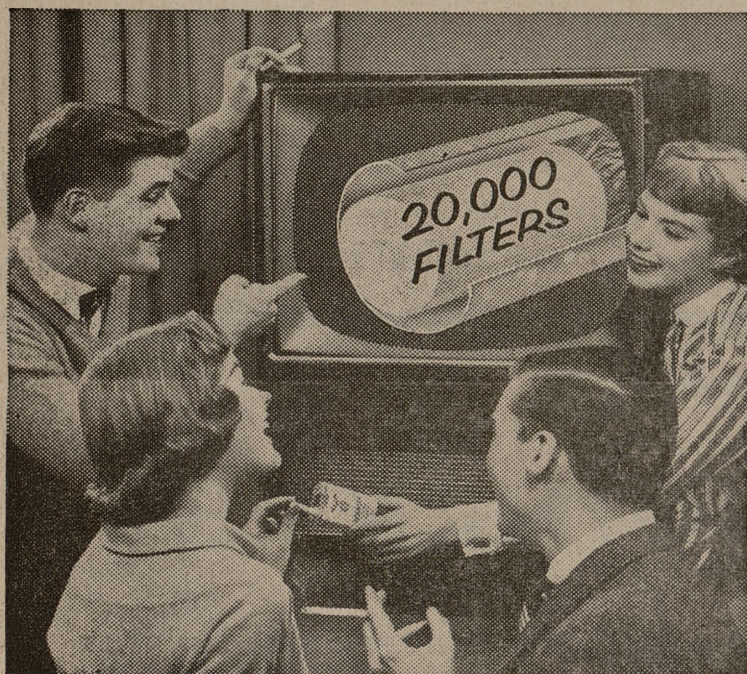

With the final balloting only a week away, Oklahoma held a 95-

point bulge over runner-up Tennessee in the latest tabulations.

Georgia Tech, which swept past fast-moving and highly-rated Florida 28-0, moved up from fifth to fourth in a switch with unbeaten, once-tied Texas A & M. Tech amassed 1,028 points to 902 for the Aggies, who were idle last week end.
