

### Expense Proposal OK'd

DALLAS, (AP) — Athletic directors and football coaches of the Southwest Conference Thursday endorsed an NCAA proposal that would permit the college to pay expenses of a prospective athlete to the campus instead of the alumni.

Under present rules the alumni can pay the expenses of a high school star to the campus but the coach can not participate in any way.

The coaches prefer that they be permitted to take from the alumni fund sufficient money to pay the expenses, this as a safeguard against over-zealous alumni making the ante too big.

Back on the friendly hardwood of White Coliseum, A&M hosts Trinity University of San Antonio looking for win number two of

the week-old basketball season tonite at 8 p.m.

The Aggie Fish battle the University of Houston Kittens in the preliminary slated for 6:15.

Losers of every game on the road last year, the Aggies have lost both out-of-town so far this season—to Centenary last Saturday in Shreveport and Sam Houston Wednesday in Huntsville. Coach Ken Loeffler's five opened their home season with a 69-60 victory over St. Mary's Monday night.

# America Concedes Olympics to Russia

MELBOURNE, (AP) — Russian athletes grabbed 12 first places at the Melbourne Olympics yesterday, and moved far ahead of the United States and all other nations in the unofficial points table.

strong protest from Karl Michael, U. S. diving coach, who criticized the judging of Hungarian and Russian scorekeepers at the water side.

American officials conceded to the Soviets "greater depth" after Russia's gymnastic precisionists and muscle men of the mat unleashed a landslide of gold medal triumphs which sent them into an insurmountable point lead in both the American and European counting systems.

This was just one of the outbursts during a day marked by rancor and disputes.

One American official who declined the use of his name said:

"We manage to do all right in things like track and field where performances are clocked and measured, and in basketball where points are counted, but put us in sports where decisions are left to the opinion of judges and we take a lacing. They say 'So here are the great Yanks. We will show them.'"

The Russians won seven gold medals in men's gymnastics and five in wrestling for their biggest day of the games while America's 36-year-old domination of the men's high diving board was broken by Mexico's Joaquin Capilla.
