### Poland Reports New Violence

#### Soviet Consulate, Police Headquarters Attacked

WARSAW, (AP)—New antigovernment violence was reported in Poland today in the wake of the mob attack on the Soviet consulate at Stettin. Eighty-eight persons, many of them youths, were reported jailed for the Stettin riot.

Trybuna Ludu, official organ of the Polish United Workers Communist party, disclosed a crowd attacked a police building in Olecko, a town near the northeastern city of Bialystok.

The Communist paper reported that crowds demolished municipal offices at Nowy Ciecchocinek in the northern midlands.

Other demonstrators beat up a local Communist party secretary at Nieszawa, in the same district.

The paper added: "More such incidents can be reported."

Poland's nationalist Communist government, seeking to avert any repetition of the Soviet military intervention in Hungary, sped an apology to the Soviets for the attack on the Russian consulate in the outburst at Stettin Szczecin Monday night.

Newspapers which first played down the riots as drunken hooliganism reported that the demonstrators attacked police headquarters and the local prosecutor's office and tried to break open the jail.

These reports said the rioters were dispersed from the jail by security troops and police using tear gas.

The attack on the Soviet consulate followed two hours later. The demonstrators got inside the building and damaged furniture. The papers did not report what happened to the consulate staff.

Among those reported arrested were many pupils of city technical schools who started demonstrating to protest against Russian intervention in Hungary. The papers said others held included "unemployed, known hooligans and up to a score of common criminals released from jails in the recent amnesty."

Jaeger, a veteran, was transferred from Bryan Hospital to the VA Hospital in Marlin Sunday for surgery. One knee cap will be removed according to Donald Hatter, his ex-roommate. There were several cuts on his face and on one hand and possible chest injuries, Hatter said.

### Tuberculosis Drive Recruits College Station Children

By WELTON JONES

Two College Station youngsters are doing their part to help put over the 1956 Tuberculosis Christmas Seal Sale which has entered its fifth week dragging behind the 1954 all-time record for sales.

Linda, 8, and Jim, 5, children of Mr. and Mrs. A. F. Isbell of College Station, through an idea dreamed up last week have become Brazos County's "Christmas Seal Kids".

When the annual parade welcoming Santa Claus was held in Bryan last week, Mrs. Isbell and Mrs. Robert Stevenson of College

Station were appointed to design a float for the parade by Mrs. John Q. Hays, chairman of the Brazos County Tuberculosis Association.

Since this year's model of the seals shows two healthy young children carrying the double-barred cross emblem of the TB drive, the women decided to dress Linda and Jim in the same type of clothes.

The float proved an instant success and many persons were heard asking about the "Christmas Seal Kids".

Then Friday night, at the A&M Consolidated High School senior play, the children were presented

to the audience as a living symbol of the drive.

"We are making plans for some more appearances by the children," Mrs. Hays said. Any group wishing a visit from the children are asked to contact Mrs. Hays or Mrs. Isbell.

Linda wears a dark green beret and jacket and a light green flowered skirt. Jim's hat and jacket are dark green and his pants light green. Both children carry the double-barred cross.

The local sale, which opened November 15, will continue until Christmas day. Present collected total for the drive exceeds \$4,000.
