

What's Cooking

The following club meets to-night:

7:30

AICHe will meet in room 104 of the Petroleum Engineering Building. A speaker from the Pure Oil Company will be featured.

Wash Them Together!

How would you like a sport shirt that has the look and feel of an expensive, luxury fabric, yet is washable too? Well, Van Heusen's new sport shirts at the A&M Men's Shop are just like that! They take washing and wearing like it was fun. Wash the rich teal blue. Wash the brilliant red. Wash the jet black. Wash them all together! The colors won't run or fade. . . . these Van Heusen Avisco shirts will dry and iron in a jiffy. How can you be sure? The Avisco Integrity Tag hanging from each shirt tells you exactly what to expect. They are the perfect shirts to own, so go right down to the A&M Men's Shop today and ask for Van Heusen's shirts with the Avisco Integrity Tag. . . . they have the softness and richness you associate with "special care" fabrics, yet they wash and iron like a dream! (Adv.)

Dulles Predicts Soviet Collapse

PARIS, —(AP)— U. S. Secretary of State Dulles yesterday predicted the eventual collapse of Soviet communism. He told his free world allies that unswerving loyalty to the United Nations concept will speed the process.

In an earnest, almost religious address to members of the North Atlantic Treaty Organization, the secretary said he had "good reason" to believe that internal pressures are shaking the Kremlin's iron rule. He declared this provides the world with an historic opportunity for real and lasting peace.

To exploit this opportunity, he asserted, the West must maintain a spotless moral appeal to the cap-

itive but restive peoples of the East, with staunch adherence to the principles of the U.N. charter, especially in renouncing force as an instrument of national policy. But he added at the same time the West must also maintain a powerful defense shield to deter the Kremlin from the temptations of military adventure.

His statement marked the opening of a session of NATO foreign, finance and defense ministers. Among other things the NATO men must map defense targets for 1957 and consider methods of closer political and economic cooperation by the 15 member nations. The session is expected to continue to the end of the week.

The session was closed to newsmen, who received a digest of the Dulles and other speeches from NATO officials.

Parts of Dulles' statement were an obvious rebuke to Britain and France for their invasion of Egypt in the Suez Canal dispute. But the secretary soothed them with a compliment on their prompt observance of the U.N. call for a cease-fire on the Suez front.

The 16-billion dollar natural gas industry claims it is the sixth largest in the United States.

SUZANN SEIDEL of Brenham will be one of the performers for the halftime at the 12th Man Bowl game. Girls from 26 schools in the surrounding area have been invited to participate in the halftime ceremonies.

Tau Beta Pi Takes 34 Into Chapter

Thirty-four undergraduate students and five former students were initiated into Tau Beta Pi, engineering honor society, last night in the Memorial Student Center.

Dean John C. Calhoun was the principal speaker at a banquet following the initiation ceremonies. Dr. T. J. Parker, Tau Beta Pi faculty advisor, welcomed the new members into the organization.

Initiated Juniors this fall are Herbert W. Barnhouse, James R. Cox, James W. Martin, and George M. Ragsdale.

Other initiates were Herbert H. Acheson, Byron E. Andrews, Joe N. Baker, Jack C. Brady, Jerry F. Callahan, Edward E. Graul, Paul

G. Masters, Jerry C. Moreland and Kenneth B. Nolen.

Nick G. Dokos, Jerry C. Durbin, and William B. Tom, and Martin R. Adams, Clarence M. Jones, Kirby M. Keahey, Billy B. Bedford, Marion B. Ray, William J. Ruez, III, Robert E. Kilmer, Tom C. Morris, Robert L. Patton, Jr., and Jewel T. Whellis.

Harold E. Curtis, Harvey O. Wende, Louis H. Lavergne, Lonnie E. Myrick, Jr., Edwin G. Pierson, Charles S. Skillman, Jr., and L. E. Sheppard, Jr.

Five former students were elected to membership. They were Celestin P. Besse, Robert Moore, Elbert W. Rogers, E. S. Lammers and Jack R. Woolf.

\$2,000 Available for Emergencies

Twelfth Man Bowl Funds Go To Student Aid Fund

By CONNIE ECKARD
 An Aggie falling and injuring his back brought about the beginning of today's Student Aid Fund, J. Gordon Gay, YMCA secretary says.

Students faced with sudden and unexpected medical expenses are eligible for one of these loans, he said. Any amount up to \$300 can be loaned to a student in a mat-

ter of minutes through one of these non-interest bearing notes.

A large share of the profits from next Tuesday's 12th Man Bowl will go into the Student Aid Fund. Last year's Bowl game saw around \$800 deposited to the account. The remainder of the profits go towards the 12th Man Bowl scholarship, Gay said.

Started back in 1940 to help an injured student in need of funds for his medical expenses, students put on benefit shows. The excess of the shows went into a fund that now has about \$2,000 cash on hand for emergencies.

In addition to this, Gay says, there is about \$3,000 that is cur-

rently out in loans. When students borrow the money they indicate when they will start paying it back. Gay considers that he has never lost money that has been loaned out.

Rules governing the loan fund were set up by the now extinct Student Life Committee. Gay is chairman of a committee that consists of two students from the Student Senate that presently governs the fund.

Veterans were brought under the program about six years ago, Gay said. "This way has paid for the birth of many future Aggies." The money is borrowed for all kinds of hospital expenses during all months of the year, he added.

Students have been referred to Gay by members of the faculty and military department, he said. Often students will come to him asking for money to pay for car payments or groceries but he has to turn them down as this is not the purpose of the fund. However, Gay does welcome requests for money from students needing money for medical expenses.

Health Board Votes For Insurance Plan

The Student Health Services Board, in a meeting yesterday afternoon, voted unanimously in favor of the compulsory accident health insurance plan that was presented last week to the Student Senate. The Senate also favored the plan.

The plan calls for a blanket accident coverage of \$1,000 for each accident which occurs to a student from the day he first arrives in College Station in the Fall until he returns home in the Spring.

Premiums would be \$1.55 per semester or \$3 per school year.

SCONA

panel.
 • 8:30 a. m., Saturday, the fifth and final round-table meetings will be held.

• 12:15 p. m., Saturday, Victor Andrade, ambassador from Bolivia, will deliver the keynote address to all members of SCONA.

CHRISTMAS GIFT SUGGESTIONS

- Browning & Remington Automatic Shotguns
- Spalding & Wilson Golf Equipment
- Brunswick Bowling Equipment
- Spalding & Wilson Tennis Rackets
- Portable Radios

STUDENT CO-OP
 Open Until 8 P.M. Except on Saturday

Ω

Why our finest watch

OMEGA

was selected as the official timer of the Olympic Games

When the organizing committees of the 16th Olympics convened to choose an official timer they realized that the performance of every Olympic contestant must be measured with undisputed accuracy. They realized that only an organization with long experience in the science of precision-timing could shoulder such a great responsibility.

Since Omega had the knowledge and experience, gained not only from timing all previous Olympiads since 1932 . . . but also the timing of the historic Bannister 3,594 mile-run, the British Commonwealth Games, the 1955 Pan American Games and scores of other contests . . . the appointment of Omega was natural and logical. Such dependability is yours in every Omega watch. See our men's and ladies' models, \$71.50 up, Federal tax included.
