

12th Man Bowl Coaches Name Teams As Squads Don Pads for First Time

Both Teams Get First Taste Of Contact Work Tuesday

By DON BISETT
 Assistant Sports Editor

Groans filled the air, sweat streamed, and out of shape muscles responded to the sharp commands of many coaches. The Army and Air Force teams had their first taste of contact work yesterday and the indolent ways of these "once a year" players were cursed and regretted.

Coach Don Watson of the Army team worked his team on their defensive and offensive assignments for the best part of an hour while those who were not so engaged reviewed their fundamentals.

Stand-outs so far on the Army team have been named to the tentative starting lineup. John Kiker 6-3 and 200 pounds from Mitchell Hall is in the left end slot with John Polk, 6-3 and at 180 from A Signal is at the other terminal spot.

Chuck Revellete, 6-2, 205, from E Infantry is at left tackle and Tony Gonzales, 5-11, 197, from B AAA is at right tackle. At the guards are Vic Zuckero, 5-11, 200, from D Field and Dick Sayer, 6-0, 210, from A Ordnance. Center is held at the time by John Ziegler, 6-0, 205, from B Field.

In the back field Glendal Rand is directing the first team from his down under slot. He is 5-11, 160 and from D Field Artillery. Halfbacks are Joe Williams and Bill Hundley, both at 165 and from Leggett. Fullback is in the hands of Lamar Smith until someone takes it away from him, he is 6-0, 195 and from C Field Artillery.

The air force team, under the direction of Dee Powell spent its day getting the feel of their assigned positions and of the crack of the pads. They feel as though this

is their year to win and enthusiasm is running high.

Coach Murray Trimble, who is helping Powell with the line said, "They sure do love to hit and to mix it up out there." This sentiment was expressed by all the other coaches as well.

Coach Powell has cut his team and has placed his men on tentative squads but assured them that no man is solid in his position as yet. His first team yesterday consisted of Jack Heald and Clark at ends.

Tackles Al Zuckero and McBride were looking good at the first team slots and Don Browning and Roy Millen had the inside track at the guard places. Dick Bates seemed the strong man at center.

Garrison and Powell are in the halfback positions until they can be ousted and Cliff Hamby is a solid choice at the fullback slot. Quarterback belongs to Bob Patrick and he looks like he is capable of handling the chores.

Big League Club Owners Vote to Oust Signing Rule

CHICAGO, (AP) — The major league club owners, in a surprise move, voted Tuesday to rescind the college rule whereby a big league club was not permitted to sign a college player after he had reached his sophomore year.

Ending their winter convention a day sooner than expected, the big league executives voted to adopt all measures passed by the minors at their national convention in Jacksonville last week, including the 28-player cut down amendment on opening day.

It was their action on the college rule, however, that created the biggest excitement, a decision that is certain to cause considerable resentment in college circles, especially among the members of the American Assn. of College Baseball Coaches.

Under the old rule, put in effect three years ago, a major league club could negotiate with a college player only during his freshman year. Once he continued as a sophomore, however, he could no longer be approached.

Tigers Rip Yeguas For Third Victory

Consolidated's Tigers won their third game of the young basketball season as they dropped Somerville, 39 to 26, last night in the Tiger Gym.

Billy Mac Miller hit a set shot in the opening minute of play to put the Tigers ahead 2-0. They never relinquished the lead and at one time led by as much as 17 points.

At the end of the first quarter CHS led by 8-4, at the half the score was 17-9 and at the end of the third stanza it was 25-19.

Bill Kavanaugh was the big gun in the Tiger attack as he led both teams in rebounds and was high point man of the game with points thrown through the hoop.

Consolidated hit 31 per cent of their shots from the floor while the Somerville team hit only 27 per cent which may account for some part of the victory.

The Tigers next game is December 14 in Richards against a team that beat them 74-34 in their previous meeting this year.

Texan Paul Jorgensen Fights Costa Tonight

NEW YORK, (AP)—Paul Jorgensen, a young Texan who has been making quite a name for himself in the featherweight class, crashes Madison Square Garden for the first time tonight in a 10-round match with Carmelo Costa of Brooklyn.

Although New York will be something new for the 21-year-old boxer from Port Arthur his opponent will be familiar. Jorgensen and Costa will be meeting for the third time. Their first two fights at Houston, July 31 and Nov. 20, resulted in a draw and a Jorgensen victory.

The contest will be carried on network ABC radio and television, starting at 10 p. m., EST, as a substitute for the Sugar Ray Robinson-Gene Fullmer middleweight title bout, originally scheduled for the date. Postponed because of Robinson's illness, the title fight has been reset for Jan. 2.

Jorgensen is one of the busiest men in boxing. This will be his 12th fight of the year and he has won 10 and fought one draw in his previous outings. His career record, dating back to 1953, is 46-4-1 for 51 scraps. He has knocked out 16 opponents.
