**THEY'RE GOING TO STICK A NEEDLE IN ME**

Yes, Sonny, we do it all the time! Mommie holds you in her lap. And that nice, friendly doctor gets the needle ready. Then . . . OUCH! And there's one less disease for you to worry about. If only it were that easy to protect you from some of the other diseases that infest the world . . . the plagues that eat away man's moral and spiritual fibre.

But religion can't be injected with a needle!

So it requires wise parents, and Christian homes, and worshipping families, and vigorous churches to get you ready for a noble, happy life.

Better take it up Sunday with your folks: ISN'T IT TIME FOR ALL OF US TO GO TO CHURCH?
